Gateway to Discovery - Te Kura o Waitohi : He Kūaha Kitenga

**GATE - Growing Actively Together we Engage with our world**

The Board are very pleased to announce that the school have employed Mr David Paterson as a replacement for Liz Ives. Some of you may know him from his time at Queen Charlotte College, Koromiko School or on the sporting field.

Please make Mr Paterson feel welcome to the Picton community when he joins us in Term 3.

Through Positive Behaviour 4 Learning (PB4L) and the Picton School Curriculum, we aspire to deliver the school values and mission statement: **GATE - Growing Actively Together we Engage with our world and create Gateway to Discovery**

Our children will be exploring the school values and how we can be developed them through everyday interactions, activities and lessons:

*Rangatiratanga: Leadership*  
*Manaakitanga: Respect*  
*Motuhake : Independence*  
*Te tautuhi: Resilience*  
*Te mōhiotanga: Curiosity*

We can see these values in action during the House Activities held during a recent, dry lunch time. Photos over the page. Mr Sullivan

### HOUSE ACTIVITIES

Last Friday we held our first lunchtime House Challenge - a water transportation relay. House Captains organised one child from each room to take part. Children took turns to fill a teaspoon with water and then carry it across the court and empty it into a jar. When time was up, the House who had successfully transported the most water, was the winner. Congratulations to **Kaipupu** House, represented by Annika, Ebony, Ajani, Mari, Leon and Willow who took first place and 25 House Points. In second, was Waitohi and then Totaranui and Arapaoa.

The House Captains and Support Leaders have started a Leadership program with Mr Roggeveen on alternate Thursdays. The first session covered being a role model and the children were asked to research Nelson Mandela and what made him an excellent role model. This led on to Accountability and having high personal standards. What high personal standards did Mandela have that made him accountable? As the year Progresses, children will continue to be mentored to develop their leadership skills which will be invaluable in the future.
