

Term 2 No 9 27th June 2018

Kia ora everyone,

Congratulations to Callum Stratford, Brooke Strang, Joccoa Crosswell and Olivia Stratford who competed at the Southland Cross Country last Friday. You all did amazing and you should be proud of your efforts. The EnviroSchools team have been busy once again making reusable bags out of t-shirts, thank you to Mrs Callahan for driving this project. The book sale is happening in the library on Thursday and Friday. Children can purchase up to five books for a gold coin donation. The Year 7 & 8 students have been working hard to complete their Social Science projects to put in the Southland Social Science Fair being run at the Workingmen's club. The Fair is open for public viewing from Tuesday 26th June to Saturday 30th June 9.00am-5.00pm. There is also a late night viewing on Friday the 29th of June which is open until 8pm. A big thank you to Mrs Callahan for teaching in Team Karaka over the last three weeks, Mrs Lamb, Mrs Barnes and myself will be covering for the rest of the term. A big congratulations to Callum Stratford for receiving the Sir Peter Blake Leadership Award, he is very deserving of this award.

Class Reports:

Team Kikorangi/Kowhai: This week the children started Moffett cup practise and were very excited about it. The children who don't do Moffett cup had a great time walking to the park and attempting to make play dough. We enjoyed exploring slime, kinetic sand and play dough on Friday. Remember to look at your child/children's Seesaw to see more activities and learning that's happening in their class.

Team Whero: Our mung beans have started to grow and sprout. The students have voted to look after their own jars of seeds and are required to rinse them with water every day. Early taste tests reveal they taste like a sweet pod of peas. The class have also voted to have specific jobs in the classroom, taking turns at being responsible for classroom equipment and activities. Great week for our class to develop their speech writing skills and find out interesting facts about their selected topic. We have finished reading The Witches written by Roald Dahl. For sketching we are developing a poster and poem based on the story.

Team Karaka: We have rugby coaching with Blake today. We have been practising speeches and Mrs Barnes has narrowed down to eight finalists. Our Social Science projects will be ready early next week to view at school.

Team Papura: We have started sharing our speeches in class. We have had some really interesting topics being spoken about. Everyone will be sharing their speech in class. Our Social Science Fair displays are all on display at the Working Men's Club. Please check them out.

Toe Toes Community Swimming Pool

The Toe Toes Community swimming pool at the school is the very lucky recipient of the Lions Baleage fundraising competition this year. The pool is getting some much needed maintenance with up to \$100k spent on it in a couple of years. But this should see it in great shape for many years to come - just unfortunate that all the maintenance is falling due now.

The pool committee would like to let you know that your support of the upcoming Lions Baleage fundraising competition is very much needed so we can get the funds to continue providing our community with a swimming pool.

So if you have a spare bale or two for the Lions Hay / Baleage fundraising competition next Friday the 6th July then please make sure you get in touch with Lions member or Ernie Johnstone 027 4437 643 to make sure your contribution gets collected.

Thanking you very much in advance.
