

Waikite Valley School

Developing Learners for Life

Weekly Panui – Wednesday 27 June, 2018

Kia ora koutou whanau,

It's been an action packed start to my tenure as acting Principal with the promise of a very busy end to term 2. I was warmly welcomed by the staff and students on Monday with an impressive powhiri.

You can see for yourselves the skill and commitment of our students in kapahaka at the Reporoa Festival. Search 'Waikite Kapahaka' on Youtube to see videos of our junior and senior teams.

I look forward to meeting more of you over the next few weeks, especially through our new 'Reading Together' programme that will be running next term: more about that next week.

Please feel free to pop in and see me if you have any questions or concerns. I am in class Monday to Wednesday so send me a text and we can arrange a time to talk.

Ngà mihi

Special message from the Board

A Message from the Board

In this time of heightened risk to stock due to *Mycoplasma Bovis* we have decided not to include calves in Pet Day for 2018. We will continue to offer the option of lambs & kids.

The staff and students will explore other activities to ensure this day is enjoyable for all children who participate. Please forward any suggestions to Mr Dinning.

Welcome to *Waikite Valley School!*

Kia ora - welcome to Waikite Valley School

We are an awesome, progressive country school situated in a picturesque valley 26km South-East of Rotorua.

Waikite Valley is a beautiful area to be surrounded by several beautiful lakes, thermal waters and hot springs and the famous Waikite Valley Hot Pools. The Paeroa Ranges dominate the landscape and are a breathtaking sight on a clear day.

Our strong rural community is made up of dairy and sheep farmers and lifestyle blocks. It is very supportive of our school, with an active PTA and an excellent parent and community base.

At the heart of Waikite Valley is our school – come and see us! We have a current roll of 73 awesome kids in 4 super classrooms.
