Term 2, Week 10

## **END OF TERM 2 ALREADY!**

We all knew that Term 2 was going to be busy but little did we know just how busy that was going to end up being. Our classroom programmes, trips to town, visitors to school, cross-country, arts courses, cultural classes, rural kids and sports programmes ensured that our term was full of learning and many new opportunities so Term 2 definitely did not let us down. The following 2 terms are both busy terms so if we all thought the first terms flew by expect nothing less from the second half of the year. Enjoy the next two weeks to allow your child to chill out and recharge their batteries for the second half of the year. Term 3 starts on Monday the 23<sup>rd</sup> of July.

## **CELEBRATION OF LEARNING DAY**

Please remember that our Celebration of Learning Day is on Wednesday this week, starting at 1.30pm. Please come in at any time and make a Matariki manu tukutuku with your child during the afternoon. We will be sharing poetry in the Senior Room from 3pm and the day should end around 4pm. If you have not sent in your vegetable yet for the shared soup please do this tomorrow. We look forward to seeing you all here on Wednesday and please remember there are no buses that afternoon.

## **END OF TERM REPORTS**

All Year 4-8 students will receive their interim reports for 2018 on Thursday this week. Please read these with your child and contact us with any questions about the contents of your report.

## **DESIGN TECHNOLOGY**

The final session for Design Tech has been cancelled and that means we are finished for the term.

## **MUSIC LESSONS**

NO music lessons tomorrow and your invoice for this term will be sent out soon.

## **MASTERTON CROSS COUNTRY**

Best of luck to Oscar, Rane, Poppy and Bayley heading over to Akatarawa tomorrow for the Wellington Regional Cross Country champs. We know you will all do well and do your very best at this elite event.

## **NGA TAMA TOA**

Fontyne and Mathew had their third session last week and have led some of the skills they have learnt with the whole school in fitness.

## **RURAL KIDS PROGRAMME**

The Year 7 and 8 students all completed their second Rural Kids session last week. There are two more sessions next term and that will complete the cycle for 2018. We have our next two sessions on Thursday the 9<sup>th</sup> August and 6<sup>th</sup> September.

## **END OF TERM REPORTS**

The Year 7 and 8 students will be doing the Level 2 Pedal Ready programme on the first Monday and Tuesday of next term. They will be coming to town for the two days and competing on an on road test to hopefully pass this level test. There is a separate letter coming home about the event this week.

## **Upcoming Events: TERM 2:**
