Weekly Panui – Wednesday 4 July, 2018

Kia ora koutou whanau,

Thanks for a great end to the term. We've had a successful Open Day with proud students talking about their learning for the term. If you would like to discuss your child's report please make an appointment with their teacher.

Next term we will be starting our Reading Together programme. This is a research-based programme which helps parents to support their children's reading at home. We are beginning in week 2, 17th August, from 6 - 7.15pm. The next three will be held in weeks 4, 6 & 8. Please contact your class teacher to book a place on the free course. Supper is provided and children are welcome.

Ngā mihi

We are fortunate to be surrounded by several beautiful lakes, thermal waters and hot springs and the famous Waikite Valley Hot Pools. The Paeroa Ranges dominate the landscape and are a breathtaking sight on a clear day.

Our strong rural community is made up of dairy and sheep farmers and lifestyle blocks. It is very supportive of our school, with an active PTA and an excellent parent and community base.

At the heart of Waikite Valley is our school - come and see us! We have a current roll of 73 awesome kids in 4 super classrooms.
