

Term 2 No 10 4<sup>th</sup> July 2018

Kia ora everyone

Congratulations to all Team Papura for entering the Southland Social Science fair. Their projects were amazing and are available to view in Team Kakariki until Friday. We had some children receive prizes from this:

Callum Stratford - 1st prize in the Conservation category

Angus & Flynn (Transport Category) - Merit

Emma Jennings (Current Events) - Merit

This was the first year we have entered the fair and we can't wait to enter more projects next year. Team Karaka also completed projects at school, these have been judged and are also on display in Room Kakariki.

Thank you to all those people that supported our book sale last week, the money from this will be put towards purchasing some more books for the library.

Our Clubs are starting up on Wednesdays next term, thank you to those people who have volunteered to help us with these. We are having a whole school PJ day on Friday, children are allowed to wear their PJ's to school for the day.

Tina McMullen  
Acting Principal

**Tokanui School BOT (Board of Trustees)**

Your School BOT met last week.

At this meeting we were presented with "Reading Tracking" and "Writing Expectation" reports. They show us where our students are and the progress that is being made, they have targets to get to for the year end and we were assured that these will mostly be met by year end.

We also would like to invite anyone slightly interested in being on the BOT to get in touch with a board member please. All of the current board will have no children at school during the latter part of the next Trustee term (3 Years). We need more parents to be involved now so we can have a more seamless transition when it does come time for Trustee elections in June next year. It's your school, put your hand up and be part of its direction now please. Daryl, Ann, Cala and Nolan
