

The Hāngi on Tuesday marked the culmination of our Matariki celebration and the crisp clear skies presented to us on the morning certainly gave us a great view of the stars above. It was an absolutely spectacular view. A huge thank you to all those who contributed to the putting down and lifting of the Hāngi on Tuesday. Thank you to all those who donated to the event, including providing the steel and iron for the pit, providing firewood for the fire, donated baskets to hold the food, donated vegetables and meat for the feast, assisted with food preparation and hole digging, the committed few who turned out at 3am to light the fire and brave the contrast of the frost and intense heat of the fire. Those who assisted in cutting up and serving food and the few who stuck around to help with the clean-up. From the time the first shovel load of dirt was dug, to when the pit was finally filled back in it was a full 24-hour mission and something great to be involved in. The whole experience of a Hāngi is bigger than just the providing of food, but a coming together of people and community, the telling of yarns and laughs had while preparing the food, digging the pit and burning of the fire. The teamwork required to try and get everything to come together was immense and what it is all about. A coming together of people. He aha te mea nui o te ao. He tāngata, he tāngata, he tāngata. What is the most important thing in the world? It is people, it is people, it is people. I look forward to the next time and encourage those who were not able to get involved this time to try and find time to be part of it in the future. A big personal thank you to Sonia Talivai for spearheading our Matariki celebration and if it was not for her I don't think much of it would have happened. Ka mau te wehi!

The end of Term 2 comes with mixed emotion especially with Hanna and Michael leaving us after their year as volunteers at Hurunui College. We will be farewelling them at our assembly on Friday afternoon and thanking them for the contribution they have made to the school. It is absolutely amazing that school leavers in their position, leave their families, travel to the other side of the world and spend a year in a community they know very little about. We can only hope that their year has been as valuable for them as it has been for us. We wish them all the best as they head off back to Germany and start the

next chapter of their life. We can only hope they take a little bit of New Zealand and Hawarden back with them. Tschüss und Auf Wiedersehen.

Lastly good luck to our team of four students who are representing us at the National Area Schools' Tournament over the first week of the holidays. As always we know you will do your best and represent yourselves and the school with pride. And to the rest of the school, enjoy the winter break and we will see you back, relaxed and well rested next term.

Nāku noa, nā
Stephen Beck
