Friday 6th July

Manaakitanga: We respect and care for each other, everyone is welcome.

Master Chef - Kitchen Chemist

Our student inquiry outcome science fair and demonstration stations to share our foodie-learning with our families was a wonderful success! Thank you to all the whanau who came to support their tamariki on the day! If you didn't make it, don't despair this afternoon via email or paper copy you will receive your child's **Student Inquiry Report**. Please sit with your child and ask them to talk to you about their learning using this as a prompt, this report is just one way for them to start their learning conversation with you.

Reporting to parents @MBS

On Monday 6th August you will receive your child's Mid year report about their progress in reading, writing and mathematics against the New Zealand Curriculum and the goals they set at the beginning of the year. On the 14th and 21st of August Whanau Conferences will be held. These are for the whole family to attend including the student so that they are able to celebrate their learning with you. Please find the booking information below.

Have a happy and safe holiday, and we look forward to seeing all the tamariki back for a new term of learning at 8.50am on Monday 23rd July!
