Life Education Caravan: The Life Education caravan is at our school this week and til Tuesday of next week. The cost per student is \$6.00 and we would appreciate payment this week if you have not already done so. Math-a-thon Fundraiser: Today the PTA are launching a Math-a-thon to raise money to upgrade IT devices/technology in our school. All children have been given a Math-a-thon pack today. If your child did not receive one, please check with your child's classroom teacher or inquire at the office. This is a great way to encourage your child/children to improve their mathematics while at the same time giving them a chance to actively assist the school in our fundraising venture.
