I feel like such a stuck record today! It was absolutely awesome taking the school to Wellington yesterday. The students were amazing and were so well behaved, they are a credit to the school, their families and the Pirinoa community. As a PB4L team we will sit down and discuss the reward options for the end of term 4.

It is the last day of the term today and I am sure that there are more people than me that are looking forward to some time to relax, reflect and get recharged for the rest of the year. Today we say goodbye to Angus and Mrs Locke. We wish them well on their next adventures. It has been a pleasure to work with both of you and we will miss you both.

So lastly, I would like to say a big thank you to all parents and community members for your help over the term. If it wasn't for your support, Pirinoa School wouldn't be the greatest school that it is. I look forward to working with you all next term.

Your Principal
Troy Anderson

ROOM 1 WEEKLY NEWS

We had a great trip to Wellington yesterday. The zoo had amazing animals and some of the children got to pat Kangaroos. After the zoo we went to Trampoline Land and jumped all over the place. Some children played a game of dodge ball on the trampolines and some children were doing flips and dives. We had a great day and everybody was really tired at the end. Some Room 1 students went to sleep on the bus (Ursula)! We hope that everybody has a safe and relaxing holiday.

ROOM 2 WEEKLY NEWS

Wow, what a week we have had. We went to the St Matt's year 7-8 school production of Little Stars and it was ah-mazing!!!! We went to the zoo and the trampoline park on Thursday and that was crazy fun, even though my Charley's socks got eaten by the emu!!! She was most definitely NOT impressed and gave that emu a good telling off from the safety of the trampoline.

It is a sad week for me as well though as it is my last week in Room 2 at Pirinoa School. I have had such a great year and a half in Room 2 and I am honestly going to miss these amazing students soooooooooooooo much. Thank you to everyone in the community who made me and my family feel so welcome, we have thoroughly enjoyed our time here. I hope to see everyone around about in the future and might even pop in for some relieving if I am needed. Cheers Siouxsie
