## Weekly Panui – Wednesday 25 July, 2018

Kia ora,

I hope this very busy time of the year has started well for you. This is a heads down term for most children. There are a number of school wide activities happening including speeches and film making.

Senior students will be involved in Snow Camp and the NZAIMS Games.

As you know there will be no calves at Pet Day this year. For those who still wish to raise a calf at home we will have a virtual competition. Essentially this will involve the presentation of a portfolio followed by a visit for the top 3.

Ngā mihi

# Waikite Valley Cream of the Crop

The trip down to Invercargill was a real eye opener for the team. It was Gabriella's first time down South let alone her first time on a plane!

We felt very privileged to represent the Waikato/Bay Of Plenty Region in the national competition. The event day was pretty wet and muddy but we still managed to avoid the worst of the rain. Despite the weather we were interviewed by Newshub Media which you can check out at their website.

We are fortunate to be surrounded by several beautiful lakes, thermal waters and hot springs and the famous Waikite Valley Hot Pools. The Paeroa Ranges dominate the landscape and are a breathtaking sight on a clear day.

Our strong rural community is made up of dairy and sheep farmers and lifestyle blocks. It is very supportive of our school, with an active PTA and an excellent parent and community base.

At the heart of Waikite Valley is our school – come and see us! We have a current roll of 73 awesome kids in 4 super classrooms.
