Our Pottery Fish

We made pottery with Bec and we made fish. We worked in the art room and created our own fish designs. After we made them she put them in her special oven. Then when I got to school they were all scattered along the kindy wall like a blue wave pushing a shoal of fish along. I think they look amazing.

Pottery Art

Last term Bec took us to the art room to make clay fish. We were really excited! She said we had to make the fish in stages. Step 1 we got a lump of clay and rolled it into a ball. Step 2 we flattened the clay out so we could begin to make the fish shape. Step 3 We decided on our fish shape then carved the clay into a fish shape. Step 4 We designed patterns on our fish using lots of different tools. Step 5 We painted them with some cool colours. Step 6 Bec's cooked them in her special oven and glazed them. Then when we came to school on the first day of this term our fish had appeared on the wall but I knew Bec must have put them there because I saw some glue on the wall too!

Fish Art

Last term we made pottery fish and when we made them they were very tricky! My hands felt as slimy as a snail when we added water to the clay. I know that sounds yucky!

Then when we arrived at school on Monday after the holidays the pottery fish were glued to the wall by the Kindy. My head was thinking "how did they get there?" I was blown away because they had just appeared on the wall. My mouth dropped open in surprise because the fish looked so amazing. Thank you Becs for helping us.

Art Day with Bec

On Monday when I came to school there was suddenly pottery fish on the wall. It was so cool and amazing. It was a shoal of fish swimming to our school hall.

By **Haydez Mosden** R7 Picton School

Last term we made clay fish. First we each had a piece of clay and we made the clay flat. Then Becs, the person who was teaching us showed us how to make a fish. What you have to do is use a clay knife and shape your fish. After they had dried we got to paint them lots of different colours. Next Becs said "after that you can do different sea animals." I did a turtle, a shark, a fish and a dolphin.

GATE - Growing Actively Together we Engage with our world

Welcome back to Term 3 Picton School

I would like to welcome two new members of staff this term. Dave Paterson and Sarah Coffing. Dave Paterson is the new teacher in Rm 2. I have heard already that the students are enjoying his sense of humour and shared history with the students. It is always nice when a teacher has also taught a parent and child in the same family.

Sarah is our new 'Within-School' Social Worker. She has a lot of experience working as a youth worker in Blenheim and working in schools in USA. She has already met with some parents and students this week. I hope you make our new staff feel welcome and support them in their endeavours at our school.

The students are straight into training for the joint Cross Country with Waikawa Bay School which is going to be held on the 7th August. Very impressed with some of the Year 4s who managed to run twice around the outside of the school without stopping, today for the very first time. Parents - please come and join us for this fun event. Cross Country is an excellent way to build students' resilience and fitness. Children can set goals and improve many life skills through pushing themselves regularly, with a fitness activity.

Our very own Mrs Ives started teaching music and ukulele this week with all the classes and is supporting Mrs Adams to take Kapa Haka on Wednesday afternoons. A large number of students have joined up with the Kapa Haka group at this new time.

We will be starting soccer coaching next week with a coach from Marlborough Soccer.

Riki Palatchie will be coming to School this Term to work with parents, teachers and children to support us to realize our Vision for the School. We hope to have a solid plan developed by the end of Term 3 so we can go forward in Term 4 and 2019, to move the school forward with some exciting developments.

I feels as has come

though Spring early.

<u>Dates for your diary</u>	
Monday 30th July	Cricket Skills
Tues 7th Aug	Combined schools cross country event.
Fri 17th August	Tennis skills
Wed 22nd August	Choir practice
Friday 31st August	Daffodil Day

DAFFODIL DAY

The annual Cancer Society fundraising Daffodil Day is on Friday 31st August. We would love our children to dress up in yellow and support the charity by giving a gold coin donation. We will be selling fabric daffodils before school, outside the Room 1 porch. The Cancer Society uses the money to pay for care and support for cancer patients and their whanau.

Room 9 assembly Friday 11:00 am

Sarah Rickerby

2018 Waikawa Bay School & Picton School Cross Country Endeavour Park

This year we will be holding our combined Waikawa Bay School & Picton School Cross Country event on **Tuesday 7th August**. The event will start at 1:00pm at **Endeavour Park**. The postponement day is Thursday the 9th August (Note- The weather will need to be very horrible for there to be a postponement).

Children will be transported by bus from Picton School to Endeavour Park.

Please come along and support your children. We might be looking for helpers on the day. Does anyone have access to some large Tarpaulins, we can use for student seating? Come along and enjoy the afternoon.

LOST PROPERTY

There is a HEAP of lost property at school that is going to charity if not claimed this week! Thanks from Mrs Adams
