

Welcome back to Term Three and I hope families and students have been able to enjoy some type of break over the past two weeks and hopefully make the most of the fresh snow and great weather we have had around the region. A lucky few families were able to venture further afield and have returned with fading tans from more exotic locations.

On Monday we had our start of term assembly and, as we head into Term Three, we have an increased focus on Service as one of our core values. We discussed how our value of Service originates from our school motto, Whakauru ki te ako, Wehe atu kia manaakitia - Enter to Learn, Leave to Serve. It has often been suggested that our motto is a little out-dated but it comes down to how we define service. To me, it refers to becoming a positive and contributing member of society and about giving back to and supporting others. This means different things to different people but as a whole, our local communities do not function unless we have people filling all the gaps that our communities need and we must value every contribution that is made. We can't all be doctors and if we were our societies wouldn't function. It is about serving and positively contributing back to our communities no matter what position we fill. We know many of our past students have made a significant contribution at both a local and national level. I was impressed to hear how one of our students gave up her time during her holidays to work with and support others. Our Year 13 student Grace volunteered her time and energy as a cabin leader/camp counsellor at a Kids Camp for children needing opportunities to experience new challenges to help them with confidence and resilience building. This role can be very stressful and demanding and requires a 24/7 commitment while at the camp. This is a wonderful example of service by one of our senior students and something she needs to be commended for.

Also of a worthy mention are our World Vision 40 Hour Famine representatives, Tahlia and Katie. They did a fantastic job leading the famine across the school last term and showed great initiative and organisation. It is certainly one of our more successful years with the 40 Hour Famine with the school being able to raise \$3002, more than a \$1000 above their target amount. This is again a wonderful example of service and a way of

bringing awareness and contributing to our global community.

On Friday 31st August the school will be closed for our annual teacher professional development Jumbo Day. This is an opportunity for the Canterbury Area Schools and associated primary schools to get together and talk about a shared vision for education and share best practice across our schools. The timing allows our students to have a brief midterm break and also coincides with the Combined Area Schools Formal on the evening of Saturday 1st September.

Lastly congratulations to our team of Area School sporting representatives who competed in Christchurch during the first week of the school holidays. We were thankfully blessed with fantastic weather and had a great week in town. Well done to all the students for being selected into South Island teams to verse the North Island on the last day of competition. Luke and Charlie - Rugby, Tahlia - Basketball and Tessa - Netball. All fabulous achievements!

Nāku noa, nā
Stephen Beck
Tumuaki - Principal

Left-right; Tahlia (Famine rep) Cole (World Vision), Ruth (raised \$524), Eilish (raised \$420) and Katie (Famine rep).

Thanks to Tahlia and Katie for all of their efforts organising the famine this year. Congratulations to all students who got involved in the famine. Hurunui College raised an amazing \$3,002.00 for those living in Uganda. Well done.

Week ending 27th July 2018

1.30pm	Hawarden B vs	Wai B	Court 2

UNWANTED BATTERIES

Do you have any old batteries that are taking up space in your yard? The Hawarden Waikari Lions are collecting them as a fundraiser to help people in our district. Please contact Bruce Churchward to arrange a Lion Member to collect them on 314 4298 or 027 392 8970. Thank you.

HAWARDEN COMMUNITY GYM

Did you know we have a gym available for use by anyone? **Casual use of the gym has changed.** To use the gym (if you are not a paid member), you can collect the key from the Hawarden Four Square during opening hours only. Sign the key out and pay the \$2 fee to the staff. Anyone under the age of 16 needs permission from the gym before collecting the key.

Four Square hours 8am 5.30pm weekdays and 9am-12.30pm on Saturdays.

Membership is only \$20 per month per person, with family deals available.

If you would like a membership form please call or text Robin on 021 265 8264 to arrange one.

The gym is available for hire/use for trainers, physios, and fitness groups.

The gym is run by volunteers and is a not for profit amenity. All money collected goes back into equipment/power or to the community.

THE HAWARDEN WAIKARI SQUASH CLUB is fundraising for new heating. We are selling trailer loads of sheep manure for \$120. Well composted, great for gardens. Contact Craig Ginders 0274 101 133.

SLINK LAMBS Steve Board will be collecting your casualty lambs again this year. Please contact Steve 03 314 2335 or text 0275 142 335 or Debbie 0273 024 635 when you are ready for lambs to be collected.

HAWARDEN-WAIKARI LIONS No more dry firewood for sale this season. More available at a later date. Many thanks.

HURUNUI
UT TEAM FUNDRAISER

DISCO

All proceeds to Hurunui Rugby Club.

Congratulations to the team who went to Christchurch for the Area Schools Nationals. They all did extremely well and all made a South Island team for their respective sports. Thank you to all the sponsors and everyone who supported their fundraising.

The Hurunui District Council has confirmed its initial proposal for 3 new wards, 10 councillors and to retain the Hanmer Springs Community Board after considering the 17 submissions received at the council meeting on 11 July 2018. The proposed representation arrangements will apply for the local elections on 12 October 2019.

Submissions

10 of the 17 submissions fully supported the Council's proposal in relation to the district's wards, the number of councillors and community boards. 7 submissions contained objections to various elements of the proposal, as follows:

- 3 submitters requested that the boundaries be redrawn to result in:
 - o 3 councillors each in the West and East Wards (instead of 4 and 2)
 - o 3 councillors each in the South and East Wards (instead of 4 and 2)
 - o 3 councillors in each of the 3 wards (instead of 4, 4 and 2)
- One submitter objected to the Hanmer Springs councillor not being retained
- One submitter objected on the grounds that the public should vote rather than submit on the proposal
- One submitter wanted greater representation in the South Ward (more than 4)
- One submitter considered that there was a need for a community board for Amberley as well as Hanmer Springs

The council rejected the matters raised in objections for the following reasons:

- The suggestions to redraw boundaries or to add or subtract councillor numbers were not viable and would have resulted in illogical ward boundaries due to the rural population being sparse and town populations small. The population/councillor ratio did not appear to be understood by all submitters.
- The council did consider community boards for all of the wards after receiving early feedback on a range of proposals. The council did not consider there to be compelling reasons or sufficient support from local communities to instigate a community board for Amberley (or any other community other than Hanmer Springs) and believes that the council's own committee structure supports each community in a similar manner to community boards. With individual community committees already in place in Amberley, Amuri, Cheviot, Glenmark and Hurunui, and each having the same council delegations as the Hanmer Springs Community Board, the council considered that the submissions supported the continuation of these committees with only one submission supporting a new community board for Amberley.

Ward	Communities of interest	Population (2017 estimate)	Number of Councillors	Population per member
West Ward	The new ward is a merge of the current Amuri-Hurunui and Hanmer Springs Wards	5,110	4	1,277
East Ward	The new ward is a merge of the current Cheviot and Glenmark Wards	2,710	2	1,355
South Ward	The new ward is the same as the current Amberley Ward	4,970	4	1,243
Total		12,800	10	
Hanmer Springs Community Board	The community board will represent the same area as the current Hanmer Springs Ward	1,220	5 elected members plus one appointed councillor from the new West Ward	

The population that each councillor represents must be within a 10% plus or minus range of 1,280, being Hurunui's population of 12,800 divided by 10 councillors (between 1,151 and 1,408 each councillor). [Section 19V(2) of the Local Electoral Act 2001]

Final proposal

The final proposal is that the council comprise of 10 councillors elected from three wards, and the mayor; and that the one community board for Hanmer Springs remains in place. The new representation model is shown in the table above.

Appeals and objections

Any person who made a submission on the council's proposal may lodge an appeal against the council's decision. An appeal must relate to the matters raised in that person's submission. Any person who objects to the final proposal may lodge an objection to the council's final proposal. Any objection must identify the matters to which the objection relates.

Appeals [and objections] must be made in writing and must be received by the council no later than 26 August 2018. Send to audrey.vandermonde@hurunui.govt.nz or PO Box 13, Amberley.
