

**Term 3 No 3 8<sup>th</sup> August 2018**

Kia ora everyone

Well done to all of our students that took part in Moffett Cup on Friday. The children really love this event and give it their best. So pleased with their good behaviour, sportsmanship and enthusiasm that they put into the games. We had 2nd's all round which was a pretty consistent effort. Thank you to the dedicated coaches that gave up their time for the children; you do a fantastic job and make this event possible.

On Thursday Angus, Piper, Ruby and Kelvin are off to the Bowls Tournament. All the best with this.

This week our senior class is off to Technology at Menzies College for the second week. They are working on a Woodwork project and learning about science. They will be cooking in Term four. They have the same teacher for all curriculum areas so he really will get to know them.

Thank you to all of the parents that have come along to the Goal Setting Conferences. The children are learning to talk about their learning more and it is great to have parent input into their learning goals. If you missed getting an appointment, please phone the Office and book another time. Working with whanau means that we can provide our children with the best opportunities for learning.

Have a great week.

**Class Reports:**

**Team Kikorangi/Kowhai:** Thanks to all the parents who came to Interviews. This week the Year 3's had a wonderful time at Moffett Cup and the NE-Year 2 had an exciting day making pizzas. We are loving our theme tables that we have each week, this week its dinosaurs! We are presenting in Assembly this week. Remember to keep looking at our seesaw for other exciting things we get up too.

**Team Karaka:** Everyone enjoyed Moffett Cup last week and played really well.

This week we have been learning to write persuasive letters and are writing letters to our parents to persuade them to give us something we want. Homework this week is spelling words and 15 minutes reading each night.  
**Team Whero:** We have some very talented drama students in our class. During our reading rotation students independently practise plays from school journals. This cooperative group work is led by students and then performed in front of the class. Often students design the set using props found and designed in class. Mrs Short is also teaching the conventions of Drama to hone their focus, voice, actions and gestures to grow student performance, as well as their oral story telling abilities.

**School sores/Impetigo are doing the rounds again. If you have concerns about a sore on your child, get it checked out as this is a very contagious condition. School sores usually occur around the mouth/face.**
