BURNSIDE CHURCH NEWS

The colder months mean two things for the Burnside Church, maintenance and bookings ! We've had 4 weddings booked in the last 3 weeks, and well on track for a great summer 2018/19. If you know if anyone looking for a unique ceremony venue let us know and we'll send through our Welcome Guide. A big thank you to our volunteers for the recent picket fence painting efforts! The new fence looks fantastic, and many businesses and individuals have made it happen so thank you to all involved. We'd also like to take this opportunity to thank the Duty Families, who each month take a turn in maintaining the grounds and cleaning the inside of the Church for viewings and events. If you've thought about helping

us out and would like to join the roster, call Lisa on 3077066, we can always use more helpers. And lastly, we're enjoying support from our amazing local businesses and our Local Goodies Raffle will be ready in the next few weeks with some pretty great prizes up for grabs. Follow our Facebook Page for all the up to date info. Photo of recent planting day at the Church by Pirinoa students.

BUILDER NEEDED

We have a number of windows at the school which need replacing, Are there any builders out there willing to come and give us a quote ?

PIRINOA SCHOOL OFFICE ADMINISTRATOR

As expected, we may require a new office administrator at Pirinoa School. Jane has been excellent with the effort and professionalism she has put into Pirinoa School at such short notice, however her job was always going to be for the short term. We now require a new Office Administrator. If this sounds like you please bring or send your CV to principal@pirinoa.school.nz by the 17th August.
