The Kiwi Can Corner

Integrity

Means doing the right thing,
even when no one is watching

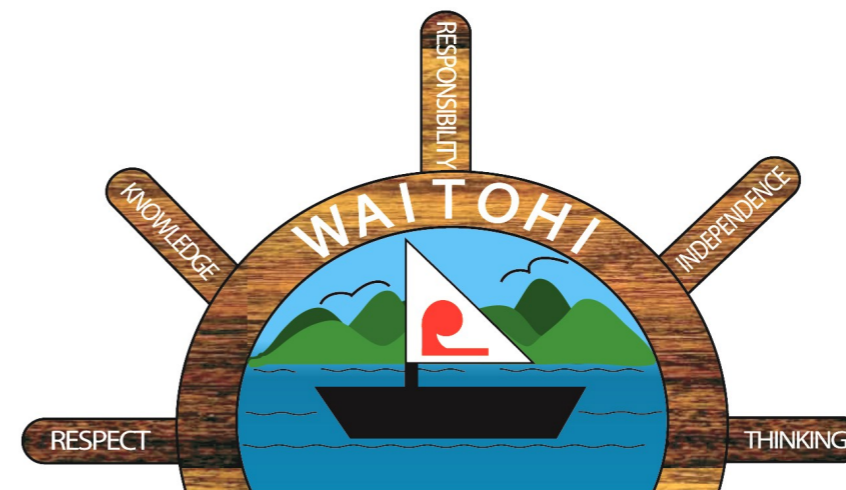

This week in Kiwi Can we're developing our ideas about honesty and trust (as an important part of integrity).

You can help reinforce your child's learning by talking about ideas like:

- Should we tell the truth - even if we might get into trouble?
- How does it feel when you know someone else is telling a lie?
- Have you faced a challenge this week where you told the truth?

Ask your child about what they did in Kiwi Can this week!

DAFFODIL DAY

The annual Cancer Society fundraising Daffodil Day is on Friday 31st August. We would love our children to dress up in yellow and support the charity by giving a gold coin donation. We will be selling fabric daffodils before school, outside the Room 1 porch.

The Cancer Society uses the money to pay for care and support for cancer patients and their whanau.

Principals Message

I would just like to take this opportunity for the support provided to Picton School from the community and whanau for the teachers during their contract negotiations with the Government.

Quick update:
Students, teachers and community members had a very productive time exploring the future vision document with Riki on Monday and Tuesday of this week.

We generated a lot of fresh and exciting ideas for the future of our school. Your next opportunity to interact with this vision will be in approximately three weeks.

At Picton School we now use School Docs to view and update our policy Documents. Take some time to log on the site below to look at the rules and policies that guide our practice at school. If you are interested look at the policies currently under review.

Value Cards and House Points:

This term the school has started a new school-wide rewards system. Children earn Values Cards from teachers by demonstrating the Picton School Values. There are five different Values Cards: Curiosity / Engagement, Independence, Leadership, Resilience and Showing Respect.

Each time a child gets a Values Card they place it in their House Box to be counted for House Points (5 points for a card). All the cards are then placed into one box and two are drawn out every Assembly to win a prize (replacing the Caring Kiwi). House Captains announce the amount of points earned.

There is also a ladder on display in the foyer showing how many Values Cards the whole school has earned and the progress made towards a school-wide reward. The reward levels are:

- 200 = Extra long lunch time.
 - 600 = Treasure Hunt or Afternoon Disco (to be voted on).
 - 1000 = Wet and Wild Afternoon or Free Sausage Sizzle (to be voted on).
- Last week Friday the children enjoyed their first whole-school reward of half an hour extra lunch after reaching their first target on the Values Card ladder. A further 106 Values cards we earned last week making the total 338. The next reward is at 600. The House Points are close at the top. Kaipupu still lead with 625. Waitohi are just behind on 607 with Arapaoa on 578. Totaranui are on 482 but certainly not out of the running!

Mr Roggeveen.
