Developing Learners for Life

1090 Waikite Valley Road, RD 1, Rotorua 3077 Tel 07 3331888

Weekly Panui - Thursday 16th August, 2018

Kia ora,

Congratulations to all those who participated in the Tough Guy & Gal Challenge

I've heard positive feed back from the children and parents. My thanks to all the parents who helped with transport and wrangling at the event.

We have had a good response to the survey regarding participation at Pet Day. There are a number of children who are opting for the portfolio assessment of their calf rearing coupled with a visit for the top 3 or 4. There will be more information about how this is to work over the next week or so but for now we recommend that a detailed diary is kept along with photos. If you are yet to return participation information please do so as soon as possible. The PTA need this information so they can organise the correct number of rings and judges.

Today we had a visit from Brendon Carroll, the new Principal of Reporoa College. He is keen to talk with any parents who are thinking about sending their children to the College in the next few weeks so he can understand what you are looking for in terms of secondary schooling. The NZAIMS games are only a few weeks away now. To support this activity the team will be running lunchtime sausage sizzles for the three Fridays beginning next week. We will have the sausage sizzle instead of the normal purchased lunch options.

The second instalment of Reading Together is on tonight. You are welcome to come along and join in the programme even if you were not able to make the first one. Bring your children, there will be food and supervision. Next Thursday we are having a short workshop, straight after school, about Reading, Writing and Maths progress through our school. Come along if you have any questions about how your children are learning at different levels of the school. Each level needs a specific approach and we'd like to start sharing some of this with you.

We hope you will gain a better understanding of how your child (ren) is learning at each level and simple ways for you to support them. If there is demand we will look at follow on meetings.

Ngā Mihi
