

Cross Country Postponed

Once again the weather has not played its part. Cross Country will now take place **Friday 24th August**.

If the weather is still not suitable on Friday, all students who would like to race in order to gain entry into the Central Zone team will still run. These students will run a modified course.

A reminder that all students must run in appropriate footwear, their uniform top and they must have their own inhaler with them if asthmatic.

Year 7 start time – 1:30pm

Year 8 start time – 1:45pm

The Central Zone Cross Country day takes place on **Wednesday 29th August** at Waiatarua Reserve, Remuera (the top 8 placegetters qualify).
