Oral Health

Did you know?

Your child's toothbrush may not be doing a good job. Hard and stiff bristles can damage teeth and gums and bristles that are too worn will not ensure a proper clean.

Choose a toothbrush with soft bristles and change it every 3 months or when the bristles start to wear, whichever comes first.

Head lice

What are head lice?

Head lice are small, flat insects that live and lay eggs on the human scalp. They are sometimes called nits, kutis, kuto bugs, utu or riha. They live on the hair and feed by sucking blood from the scalp. They are pale grey (before feeding) and reddish brown (after feeding). They can look like grains of sand or dandruff. Head lice do not carry or pass on disease.

Who can get head lice?

Anyone can get head lice. They are a common problem and cause concern and frustration for parents and children. Catching head lice has nothing to do with poor hygiene.

How do people get head lice?

People get head lice from head to head contact with someone who already has head lice. This can easily happen when children play or sleep together and their heads touch. Head lice can only crawl from hair to hair. They can't fly or jump from head to head. Head lice only survive on humans. They die quickly when they are not on the head, usually within 24 hours.

How do I check for and treat head lice?

Head lice can live all over the head but particularly like warm places behind the ears, around the bottom of the hair line, and on top of the head. Treatment of head lice is usually by physical methods (wet combing) or chemical/herbal treatments. You don't need to buy expensive products to get rid of head lice. You can buy a fine-tooth head lice comb from your pharmacy. See instructions on the following page. If you choose to use a chemical or herbal treatment, speak to your pharmacist, doctor or nurse for advice about what treatment to use and how to use it. Never use fly spray, kerosene or treatments intended for animals – these may harm children and adults.

If you find live head lice or eggs on your child's scalp, use the wet comb method to get rid of as many nits as soon as you can. Remember to check everyone in the house for nits as well. Use the wet comb method every day on everyone who has nits. You can stop once you find no lice or eggs for 3 days in a row. Check the hair of everyone in the house twice a week for the next 2 weeks to make sure everyone stays clear.

Check for lice and eggs whenever you are brushing your child's hair or any time they are scratching their head.

Absentees:

If your child is absent from the kura for any reason, please contact the office on 5736395 or admin@picton.school.nz. We really appreciate your support in this matter.

DAFFODIL DAY

The annual Cancer Society fundraising Daffodil Day is on next Friday 31st August. We would love our children to dress up in yellow and support the charity by giving a gold coin donation. We will be selling fabric daffodils before school, outside the Room 1 porch.

The Cancer Society uses the money to pay for care and support for cancer patients and their whanau.

Principal's Message

A couple of really positive initiatives starting this week with one being the Breakfast Club and secondly the Hot Soup Day. Your support to these initiatives not only assists the school but the community as well.

We are still looking for a few more volunteers for the Breakfast Club.

Picton School is about to start Breakfast Club

8:15 - 8:50 am Monday to Thursday The trial starts next Monday, 27th August.

A warm smile, sharing a game with friends, possibly a Milo and a piece of toast.

Children arriving early to school will be encouraged and to join the fun.

The Club will be run and organised by Lorraine Donaldson Smith. However, we are looking for a few **parent volunteers** who would like to be part of this initiative. Please contact Sue at the office, to put your name on the roster.

Monday is Hot Soup Day:

Another initiative we would like to share with you, is that Quest Catering is offering to supply us with hot soup for all our children every Monday lunch. The soup will be vegetable based, vegetarian, gluten and nut free. A big shout out to The Team at Quest who also do fantastic morning tea for any sized group.

Orientation Day:

Queen Charlotte College are holding Orientation Day on Thursday 1st November 2018 for all new students intending to enrol for 2019.

Absentees:

Ministry of Education require all New Zealand Schools to comply with attendance requirements. The Education Act 1989 requires all children and young people between the ages of 6 and 16 to attend school on each day of the school year, and failure to comply with this can result in prosecution under Section 29 of the Act.

If your child is absent from the kura for any reason, please contact the office on 5736395 or email admin@picton.school.nz.

We really appreciate your support in this matter.

IT'S TIME YOUR CHILDREN HAD THE EDUCATION THEY DESERVE

You send your children to school to help set them up for life. Yet, schools are facing a teacher shortage crisis, with a 40% drop in people training to be teachers; and a growing number of school-aged children. Schools are struggling to find enough staff to teach our children.

There is also a desperate need for more support for children with additional learning needs. There just aren't enough teachers to give your kids the education they deserve.

WHAT WE ARE CAMPAIGNING FOR?

- * More teachers – so your kids can get more attention
- * More resources/staff to support children with additional learning needs
- * A pay jolt to salaries for teachers to address the teacher shortage – so that your children will have a teacher in the future

SHOW YOUR SUPPORT!

Let your teachers know you support them and join in campaign activities at your local school.

Sports Draw

Netball

Congratulations to both our Netball teams for gaining Goals 1 and 2 this season. Both teams have attained a kit bag and a set of training bibs for making consistent progress throughout the season. Many thanks again to Michelle Rossiter for coaching and managing our Netball players. Please return all kit to Miss Boudier.

Tennis

The older students enjoyed a full-on tennis skills session last Friday.

Tennis should be available this summer up at Endeavour Pavillion. Many thanks to Reilly Quirk.

Volleyball

Next term, we hope to join the volleyball league again.

Art Room

We are in need of **wool** for our Arts programme. If you have any, please bring it to Room 1.
