NEWSLETTER NO. 12

27 May, 2016.

Dear Parents/Caregivers,

This Monday at 5 p.m. is our first Board of Trustees Meeting with our new Board. I look forward to working with you.

Last week I read through the first set of Junior Mainstream reports that will be going home shortly. In the Junior School we are aligning with National Standards and reporting on anniversaries e.g. after 20 weeks of school, after 40 weeks of school..... until they have had 120 weeks of schooling (3 years).

As it is winter we have a number of children playing winter sports e.g. Rugby, Netball, League, Soccer, Basketball and so on. We pride ourselves on showing humane sportsmanship in all areas of the game. If you are attending any of Waitara East sports can you support our children to show the MANA way please.

Today we have another Interschool Sports Match with Inglewood. The sports being played are Netball, Rugby and Soccer. We have two more interschool matches against Puketapu and Mangorei.

Next week is Week 5 and we will be celebrating our Ranui Day. This is where those children who have had 0 or 1 incident form have a special afternoon.

Also next week David Burrows who is a reporter from STUFF is coming to Waitara East to take photos and interview some of our children at morning tea time and lunch time. His focus is on what activities do our children do during break times.

Graham Sands.

Other important notices.
