BANGERS AND BOOKS - THIS FRIDAY (Wig/ Hair Day)

This Friday we will be having our third Banger and Books Day. Lunch will be a sausage sizzle and you need to get your money (\$2) in and orders to Diana by Thursday so the seniors can defrost the sausages. Also, this Friday's accessory is to wear a wig or colour your crazy hair. Kids can keep this in for the disco this Friday as well!

SCHOOL DISCO

This Friday we have our school disco. It will be on in the Whareama Domain Hall and is open to all Whareama and Tinui school kids, this includes their family members. It will cost \$5 to get in (or \$20 for a family) and everyone who comes along will get a snack pack included. There is not going to be food for sale on the night so you only need your entry fee, your dancing shoes and a good attitude to dancing! See you all at 6pm and the disco ends at 8pm.

ONESIE DAY

We will be doing this next Friday and it will replace the following weeks Bangers and Books dress up theme.....please wear your onesie (or PJs) to school and bring a donation for the Wellington Free Ambulance Service.

TINUI TREE PLANTING

Tomorrow Tuesday, we will be heading over to Tinui to plant some trees on the ANZAC Walkway. We leave school on the buses at 11 am and return by the end of the day. Music lessons are still on and students will be working with Hemi first thing in the morning. Please bring appropriate shoes, gumboots and clothes that may get a little bit dirty. We will take lunch with us and have a break while we work.

SCIENCE EXTENSION

It was great having William Hamilton in school taking two science classes for us. One is an extension group to support our writing and maths whizzes, with the other to engage kids in science. We are very lucky to have yet another amazing person out to work with us and providing so many opportunities for our kids.
