## Weekly Panui - Wednesday 29th August, 2018

Kia ora,

The GPA have been discussing our school values over the last few weeks.

Part of this has been considering what other attributes are valuable as they move forward in life. Integrity has come up as an important attribute in supporting healthy development to adulthood.

*"Integrity is doing the right thing,  
even when no one is watching" C.S Lewis*

Integrity is not an easy attribute to develop. It takes extensive support & modelling over a number of years to secure integrity as part of a person's character. Our school values underpin integrity, it is part of having a moral vocabulary.

You can support this development at home by giving a family context to our values : Proud, Enthusiastic, Respectful, Caring, Confident, & Curious i.e. what does integrity look like in our family, what are the right things to do when no one is looking?

### "Waikite Valley Maxis"

*We really enjoyed playing hockey for the year 5 & 6 team this year. Mrs Pearson has been a great coach for us this season, she held a training for us every Monday and Wednesday. We had a great team this year, and work really well together. We have definitely improved since the start of the season and know a lot more skills than we did before. Our team did pretty well. We got 5th in development. Overall this season has been amazing. By Sophie & Siniva*
