

I hope everybody is looking forward to attending the “Hurunui’s Got Talent” show this evening. Asra Ginders has worked hard to put this show together as part of her Business Studies Course project to raise money for the New Zealand Alzheimers’ charity, through the gold coin entry. It has been great to see Asra embrace the challenge of putting on the show and I am sure it will be very entertaining. The show is due to start at 6.30pm in the school gym. Tonight will be the one and only show, so be sure you don’t miss out.

It is hard to believe we are already starting to think about 2019, but with Term 3 quickly racing to its conclusion, it is important that we start casting our eye toward what 2019 might look like at Hurunui College. A part of this is always around staff resignations and recruitment and this year is no exception. We have just advertised three jobs for next year, which indicates that three teachers are moving on. Firstly Jasmin Findlay who is currently on maternity leave through to the end of the year has sadly indicated that she will not return as she has received fabulous news that she is due to have another baby early in the new year. During her time in the school, Jasmin contributed very positively to the school and was a well-liked and compassionate teacher. We wish her and Jo all the best with the arrival of their second baby. Secondly, Tom King has decided to resign after a year with us at Hurunui College. Tom has done a great job picking up and working in the Technology, Hard Materials area of the school this year. He has also contributed considerably in and around the school and been a great asset in more than just his teaching. We will farewell him at the end of the year. Last but certainly not least we sadly announce the resignation of Sonia Talivai. Sonia has made massive contributions across the school over the past 6 years and most notably with her work around developing Te Reo and Kapa Haka in the school. She will be hard to replace and greatly missed. We will certainly make a point of farewelling her at the end of the year and wish her and Davey all the best as they head back to Wellington to be closer to her family. Applications are open to all three positions and we are always hopeful of receiving fantastic applicants.

As the 2019 school year looms ahead, we as a school have also made a decision to restrict access to new enrolments who live outside of our Transport Entitlement Zone.

Due to a lot of current uncertainty surrounding the provisioning of bus transport, we felt it only wise to wait until our transport review is completed before we give the perception that transport is guaranteed. For most families, this will mean very little but for families south of Waipara we ask that early contact is made with school before any consideration is made around enrolment. Please do not assume that bus transport will be provided. For students currently travelling on our buses, we will maintain the service we currently provide and do not perceive any disturbance in the immediate future.

Just a reminder for all parents collecting students from the school during the school day. It is our expectation that all students must be collected and signed out from the office or signed out prior to being collected from class. This process is important as we need to know who is leaving the school, who they are leaving with and also ensures that students are removed from bus lists. We appreciate that all parents work with us to ensure this is done correctly.

GOOD SORTS AT HURUNUI COLLEGE, BY YEAR 9 SOCIAL STUDIES

MS TALIVAI is a Hurunui College Good Sort. She has organised a number of activities at Hurunui College during her 6 years of teaching here. She organises Kapa Haka, Chess, Otago

Problem Challenge, Powhiri for new students and staff, Matariki celebrations every second year and A&P activities for the Year 8 classes. She is also organising our exciting trip to Wellington later this year. These activities take lots of time and effort to organise. We asked Ms Talivai why she wanted to become a teacher and she said she enjoyed the difference it makes to the children's lives. Some of Ms Talivai's highlights are: watching Kapa Haka grow at Hurunui College, watching students enjoy Maori language and the culture, laughing till she cried and all of her Year 8 classes. We asked Ms Talivai who she would take to dinner if she could take 5 people in the world and she told us she would take Whina Cooper because she is an inspiring Maori leader, Barack Obama because he is an inspiring international leader, and her mum, dad and son because they are her heart.

We thank Ms Talivai for the HUGE contribution she makes in our school. She is an awesome good sort.

On 11 July 2018, the Hurunui District Council confirmed its final proposal for representation arrangements to apply to the 12 October 2019 local government elections. This decision was made public shortly after, including notice that people had the right to appeal or object. No appeals or objections were received in respect of the final proposal, therefore the representation arrangements for the Hurunui District Council's 2019 local elections will be the same as in the final proposal.

New Representation

From 12 October 2019, the council will comprise of 10 councillors elected from three wards, plus the mayor and the community board for Hanmer Springs.

The new representation arrangement is shown in the table opposite.

The population that each councillor represents must be within a 10% plus or minus range of 1,280 being Hurunui's population of 12,800 divided by 10 councillors (population of between 1,151 and 1,408 per councillor). [Section 19V(2) of the Local Electoral Act 2001]

HOLDEN STREET SMART

Holden Street Smart is a one-day event providing young drivers and their parents/caregivers the opportunity to undertake supervised driving practice. There is a focus on developing good decision-making strategies for safe driving, including assessing themselves, reading the road environment, resisting peer pressure, managing or eliminating distractions and planning ahead.

The Programme takes place in safe, controlled, off-the-road environments, under the watchful eye of qualified coaches plus the parent/caregiver. This provides the parent the opportunity to also assess themselves, in order to be a better coach and mentor to their teen.

Holden Street Smart will be delivering its programme throughout these next School Holidays at the following venues:

Mike Pero Motorsport Park
Christchurch
Tues 2 and Wed 3 October

Registrations are open for only \$49

**Proposed Three Waters Services Bylaw,
Three Waters Services Policy & Backflow Prevention Policy**
Let's talk about water.

- Do you own a café or restaurant?
- Does your business discharge to the council's wastewater system?
- Is your business or house connected to the council's water supply?
- Do you have a swimming pool or spa pool (domestic or commercial)?

If you answered **Yes** to any of the above, the changes under the Proposed Three Waters Services Bylaw, Three Waters Services Policy & Backflow Prevention Policy could affect you.

The council is proposing to make changes related to our three waters services (water supply network, wastewater network, stormwater network), including rules about the discharge of trade waste and the management of the risk of backflow to the water supply.

For more information please go to www.hurunui.govt.nz/news-and-views/have-your-say.

We will be holding drop-in sessions where council staff can explain the proposed changes to you:

- Cheviot – Tuesday 11 September, 4-7pm at the Cheviot Library, 39 Hall Street, Cheviot.
- Hanmer Springs – Thursday 13 September, 3-6pm, Hanmer Springs Memorial Hall, Conical Hill Road, Hanmer Springs.

Consultation on the proposed changes closes at 5pm on Monday 1 October 2018.
