

Dear Parents and Caregivers

Due to an overwhelming interest in our Junior Syndicate production of ***Eddie the Penguin Saves the World***, we have had to come up with a solution to our problem of not having enough space in the hall for the evening performances.

All school age children will, therefore, be asked to view the production from a live feed in the library. The students in the library will be supervised by our Sunnybrae staff.

On Friday afternoon we are performing the show for the whole school. Therefore, all children will get an opportunity to see the show performed in the hall.

Being mindful that the *health and safety* of everyone is paramount and over filling the hall is uncomfortable as well as being potentially dangerous.

Thank you for your understanding and cooperation with this matter.

Kind regards,

The Junior Syndicate Team
