Term 3, Week 9

END OF TERM TRIP

We have decided that due to the kids at our school being such awesome RURAL kids, we will be taking them all to town on our final day for the term. We will all be leaving school at 9.45am and having a swim at the town pools from 11-12.30, then to the park for lunch and then ending with us going to Wairarapa College for the last few sessions of the kapa haka festival. We will then all leave the College at 2.20 and head to Henley Lake where all town parents can meet their children and the ICA and Homewood bus runs will head back out on their usual runs. Everyone needs to wear their school polo shirt, bring togs and towels, a lunch, snacks and a drink bottle with water. If any parent would like to join us for any part or all of the day please meet us at the town pools at 10.30am, the park across from the town pools at 12pm or at Wairarapa College at 1pm. Remember that Friday the 28th of September, the day of this trip, is the last day for Term 3. We start back at school on Monday the 15th of October.

SCHOOL SPORTS

It is also that time when I start to think about sports for Term 4. We will be looking at entering teams into cricket, tennis, touch and tee ball/ mod softball. These are the main sports available but we will need coaches to help with these teams. The tennis and cricket are Fridays after school, touch is usually midweek and tee ball/ mod softball is Saturday mornings. Please phone us at school to let us know if you are willing to help. I will be coaching one of the tennis teams so we will need coaches for all the other teams that you want your child to be part of. Most of the sports cost around \$25 for the season and we use our new school polos and black shorts to play in, cricket are given a Red Star polo shirt to use for the season. I have included a new form with this newsletter as we have not had any interest so far in coaching so things are looking a little grim for our Term 4 sports teams.

PETS DAY 2018 – Friday 19th October

Please note that everyone was sent home a Pets' Day 2018 newsletter last week with all the information you need. Our Pets' Day is the first Friday back next term so you will have the holidays to create your two pieces of work to bring to school to construct on the Friday. We can confirm that we will **not** be having a calf section this year.

RAFFLE TICKETS

The winning tickets will be drawn on Friday the 28th of September at school..... we will send an email and add to our Facebook page a list of all the winners....good luck!

BANGERS AND BOOKS – READING DEVELOPMENT – Week 9

This is our final week for this but we will be doing an odd shoe theme so be as creative as you like! I am sure everyone can find 2 different shoes to wear and be part of our day. It will also be a lunch order day and orders need to be to Diana by Thursday please – the free lunches are now over so please support the store by continuing to order your lunch on each Friday. On our final Friday there will be no lunch orders due to our trip to town.

DESIGN TECHNOLOGY

This has finished for the term and the final sessions for the year are next term, from November 2nd to the November the 30th.

MUSIC LESSONS

These are on tomorrow so please remember your instruments.

YUMMY STICKERS

Please have all Yummy stickers and labels sent in to school by Wednesday 26th September so they can be collated and sent in to see what sports gear we have won. Remember you can keep on collecting again to go towards next year.

Regards
Darren, Heather, Sandy, Jane and Diana

Upcoming Events:
