Picton School was host to a fantastic display of commitment and teamwork last week, with the Rugby team playing Waikawa Bay School. Both teams showed grit and determination on both attack and defence. Parents and students enjoyed the sporting spectacle.

Principal's Message

Rangatahi Wānanga (Boys Session at Waikawa Marae)

Great Friday spent with the boys.

Te Atiawa supported a programme for rangatahi (Boys) from the three schools in Picton to attend a Noho based Wānanga at Waikawa Marae. This wānanga started at 9am Friday 14th September and finished at 10:30am Saturday 15th September.

This wānanga is focused on providing our boys with the opportunity to connect with their culture, iwi, marae and other tamariki from their rohe.

The boys were invited on to the Marae and were represented by their principals who spoke for them at the Powhiri. After refreshments the boys helped put down a hangi for their tea. After lunch (1pm) they travelled to Waikawa Bay where Anisha Huntley and Mike Beech were waiting to take the boys out for a paddle on the Waka Ama boat. The afternoon was filled with a story telling session and then hangi was followed by eeling adventure.

Saturday morning the boys were up and out early for a Mau Rakau session. We all ignored the cold dewy grass and learnt a lot. After a clean up some very happy boys and principals travelled home. A big shout out to all the parents who contributed so much to the event, Rita Powick for her contribution and Kirsty Burgess for organising the whole event.

Roll on the Next event at the Marae.

Picton vs Waikawa Schools Rugby Tournament

On the 11th of September, Picton School held a rugby tournament vs Waikawa Bay School on the Picton School field. The boys have been training hard for the event and we are all excited about the game. We interviewed a number of people at the event, this is what they said.

Mr Lamp said "I think it's really cool that we could bring Waikawa Bay students here and we wish to bring Picton School students to Waikawa Bay School for other sporting events".

Witney said "I think the kids are playing very well".

Mrs Black said "A great idea enjoying a lot".

Gabby said "I'm very excited I hope we win".

At the end of the day Picton School won with nine points to six points it was good match and they all had fun. Both sides showed real resilience and respect for each other and the rules of the game. We are all looking forward to the next joint event with Waikawa Bay.

The Kiwi Can Corner

Te Hua o te Ako - Our learning intention in Kiwi Can this week is learning what it means to be reliable. We'll be encouraging everyone to be a person others can count on.

Some conversation starters for this week could include:

- What did you learn about in Kiwi Can this week?
- Who have you noticed lately following through on what they said they'd do?
- What are some of the ways you have shown yourself to be reliable at home this week?

Integrity
Means doing the right thing, even when no one is watching
