Kapa Haka

Exceptionally well done to both our kapa haka teams who competed so well at the interschool event, last Friday, at the Dannevirke Town Hall.

Between the 2 groups, they won 6 out of the possible 7 trophies awarded to the primary school competition. (see the next column for the list).

A huge thank you to everyone involved in the tremendous support that our tamariki received that encouraged and allowed them to perform so well.

The tutors are stunning supporters of these groups. They have given an amazing amount of time and energy to help our tamariki learn and improve in so many areas of their skills and knowledge.

The supporters also include all of the teachers who have undertaken extra duties, worked around the practices and taken extra children, on a regular basis, so the kapa haka teams were able to practice during class times and during lunchtimes.

Thank you also to the fundraising group who worked really hard to ensure the 'extras' have been available to support the kaupapa of the groups and their tutors.

Another group that have been really hard working, is the team that have put in tremendous time and effort to ensure the new uniforms for the senior group were available on the day needed. I'm looking forward to seeing the final 'tweaks' of the uniform completed so our tamariki look the best they can.

Thank you also to the humbly proud whanau who have supported outside of school practices to ensure your tamariki were able to learn and perform to an overall higher level than we have seen previously in our school.

Kapa Haka

I am concerned that I will unintentionally miss someone who has had a role in supporting these groups, so haven't individually named anyone.

Please accept that the school acknowledges everyone who had an input into helping our tamariki achieve the success they have.

The results have been a huge team effort - congratulations to everyone involved and we are really looking forward to the next step up for our senior group as they head into the primary schools' regional competition in Palmerston North on Friday the 9th of November.

TAMAKI NUI A RUA TROPHIES 2018

Monty Fairbrother Trust Taiaha: Kai Taataki tama (male leader)

Manaia Hauiti

Native WoodCraft Mere Kai Taataki kotiro (female leader)

Labour Day - school closed

24 - 26 Wednesday - Friday
Interschool science fair

26 - Friday
Jump Jam North Island finals

Ka kite ano.

Kia nui te ra

Robyn Forsyth

Principal

Headlice

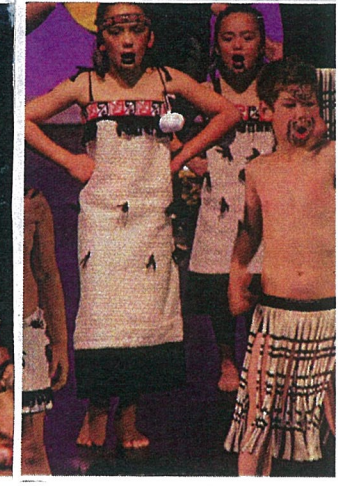

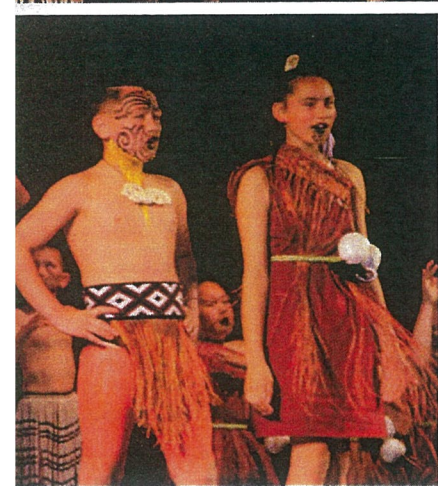

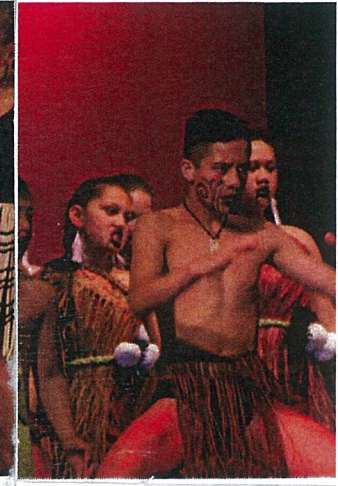

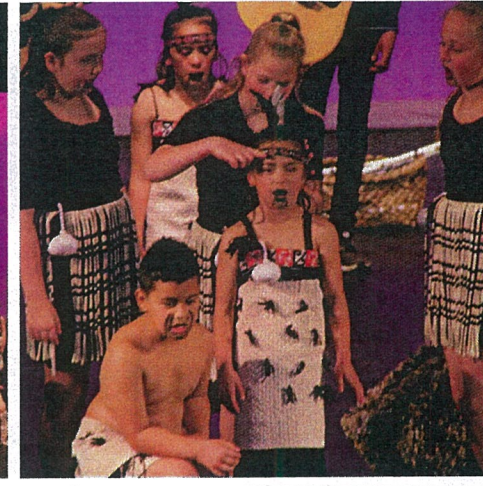

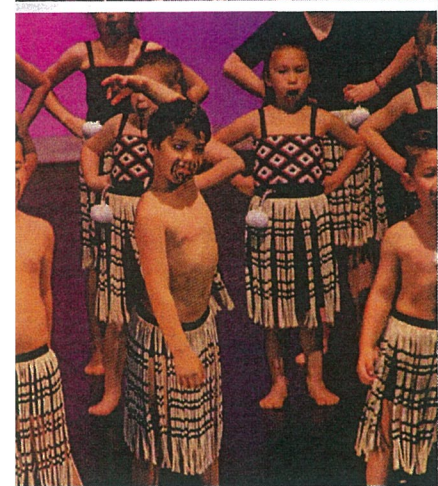

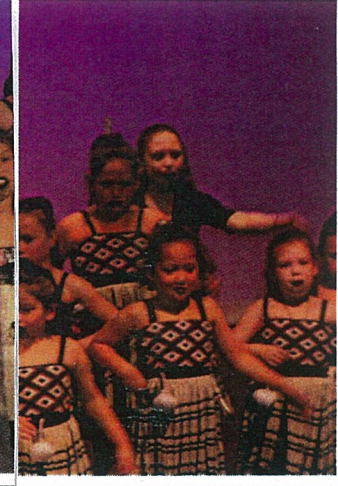

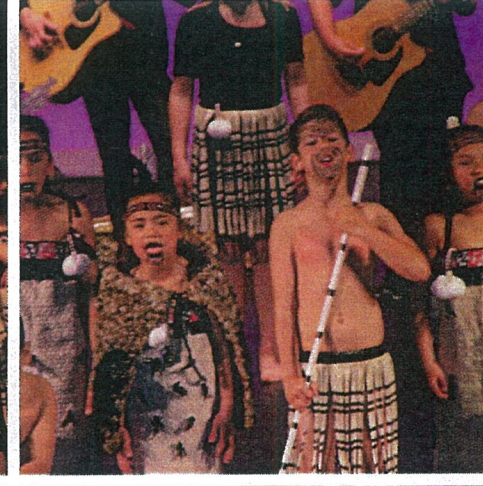

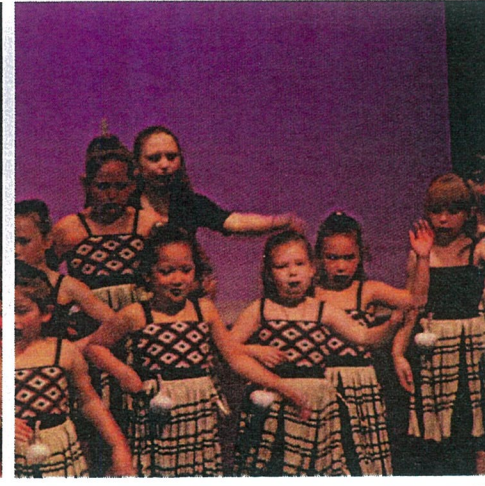

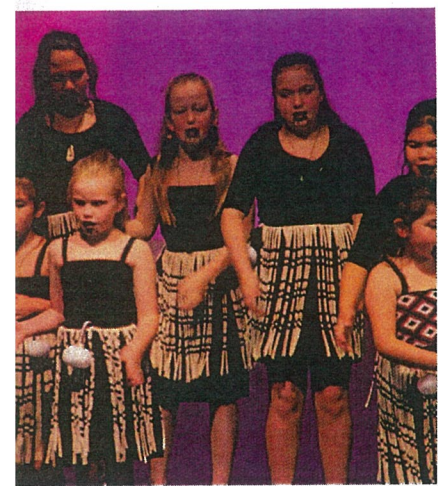

A massive problem in some classrooms.

Please check your child's hair and treat any problems immediately so this concern can be addressed.

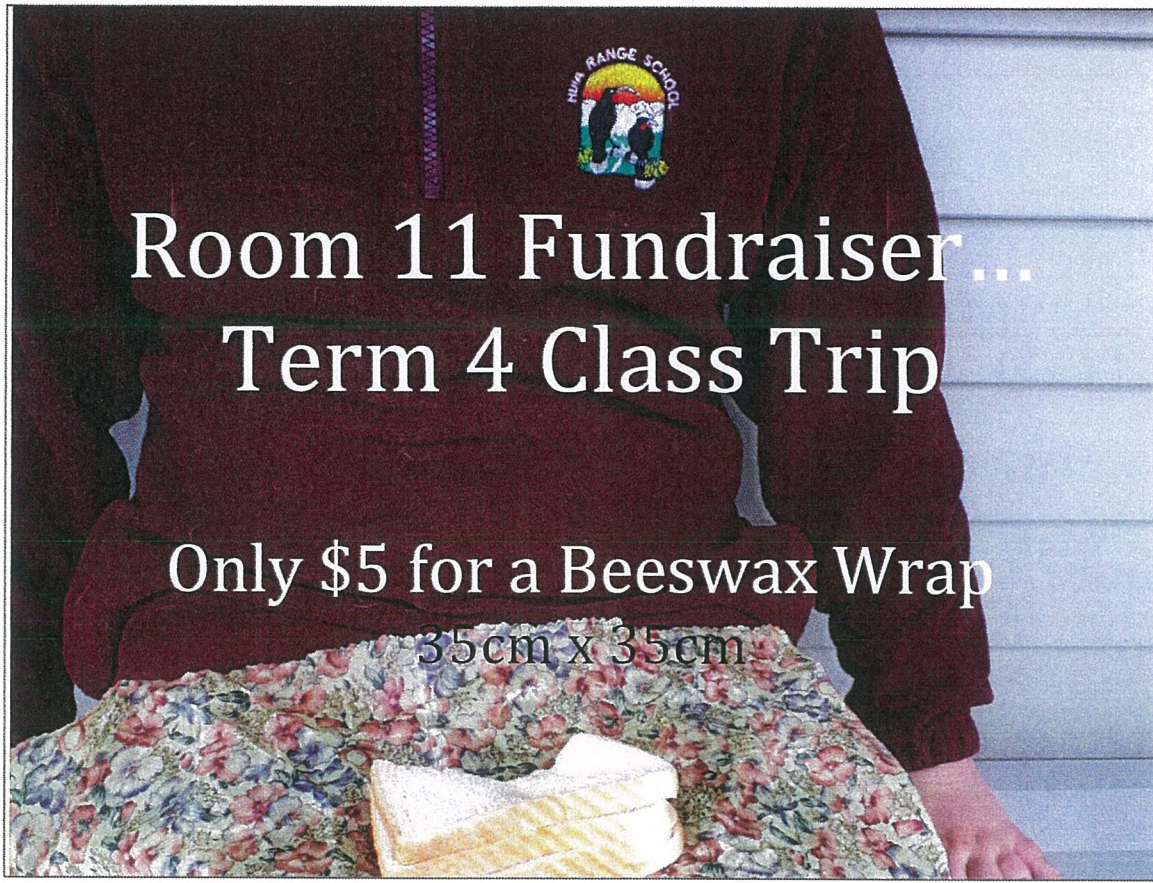

If you need advice or support our Public Health Nurse, Donna Milner, is very helpful. Contact her on 06 374 8496.

It would be wonderful if we could return in term 4 without headlice!!!

Eco-Friendly, Biodegradable and Cheap!
Made especially for you.

As conscientious citizens of Huia Range School we are concerned with the amount of plastic rubbish entering our school gates in our lunchboxes.

Our solution is a natural product that is reusable.

Beeswax is antibacterial, antifungal and water proof.
Just wipe it with a clean warm damp cloth, and it is ready to use again.

*Not a safe wrap for meat unfortunately.

Orders and money into the office by
Wednesday 26th September.

Ready for pick up Monday 15th October.
