Term 3 Week 10

END OF TERM 3

What a busy end to the term and so many events happening it definitely has been a term of opportunities. Please ensure the next 2 weeks are for rest and recovery as Term 4 will be madness with so many events in a short 9 and a half week timeframe. Please note the events coming up next term in your diaries and make sure you are all ready to go! The big event on the first Friday is Pets' Day. The holidays are a great time to work on your two projects at home – the upcycled flower container and the Wairarapa sand scene.

SCHOOL TRIP

This Friday, for our last day of term, we will be going to town to the town pools, the park for lunch and then to the Kapa Haka festival at Wairarapa College. Every family was sent home a newsletter on Friday last week to explain the trip and what the kids need.

WHEELS DAY

The kids would like to have a Wheels day on Wednesday so please allow your child to bring a scooter, skateboard or skates to school on Wednesday. Obviously there is limited space on the buses so please be sensible in what you send to school on this day.

NEW BUS RUNS

Every child was sent home a notice on Friday to confirm the new bus runs that started today. My apologies for the date that said Monday the 23rd, not Monday the 24th of September. This change has needed to happen to ensure everyone can fit on the buses until the end of 2018.

MUSIC LESSONS

These are back on Tuesday, tomorrow and will be the last lessons for Term 3.

LUNCH ORDERS

There are NO lunch orders this week as we have our school trip. Next lunch orders will be in Week 1 next term from our friends at the Riversdale Store.

NGA TAMA TOA

Mathew and Fontyne completed their third sessions on Nga Tama Toa last week. They have really enjoyed these sessions learning haka, taiaha and Maori tikanga that links to these disciplines. They have also been sharing their learning with the rest of us at school.

EPRO8 CHALLENGE

Bayley, Rane, Harrison and Oscar did a great job representing our school at the EPro8 Challenge last week. They all faced some pretty tough tasks but came in a credible 5th equal out of 12 teams.

POI POROTITI

Poppy and Chloe have their next session on Tuesday this week and this is the third of four sessions for the year. The girls have been learning waiata and poi through leadership.

SCHOOL ACCOUNTS

Thanks to everyone who have paid their accounts. If you would like a receipt please let Diana know. We would appreciate payment of any outstanding accounts as soon as possible.

Regards

The Team at Whareama School
