Term 4

There are a number of new entrants that we are welcoming at the start of term 4. Because of the high numbers we are operating another class room for the term.

Sarah Hilson is rejoining us and will be in room 4 with our new entrants. Aperi Davies' class has moved from room 4 and are now in room 14 (next to the breakfast club room).

We are also very fortunate to have Trish Fryer join us for the remainder of the year. Trish will be working with Anna and the year 6/7/8 class who will continue working in the hall.

It is not expected that any other class will be changing or moving, so the children should be very settled for the remainder of the year.

Next Year

We have begun a small amount of planning for next year and will be finalising details during late term 4.

We will be advertising a number of teaching positions, some due to roll growth, and until these positions are appointed further planning is difficult to do.

Another major factor in the planning is the number of new entrants starting, and which term they will be starting in. If you are aware of any new entrants that we might not have on our list, please encourage their parents to contact the school.

If you have a preschooler starting with us in 2019, please ring and check with Suzie that we have the correct name and starting term (otherwise we may miss sending them a letter for their visits in the term before they start).

Uniform

I took a very long look around our school playground yesterday and again noticed a large number of children not wearing the correct school uniform, with some children looking very scruffy.

There are quite a number of children wearing blue or an odd assortment of black shorts, skirts and trousers that aren't school uniform.

I have attached a school uniform list to this newsletter and expect to see families take the opportunity over the school holidays to get children into the correct school uniform.

Please ensure your children are in plain black shoes without the white stripes, soles, stars, etc

Sun hats are also a requirement in term 4 or children may not be in the sun in the playground and are required to sit under the shade cloth, under the trees or in the shady part of the verandahs - not much fun!

Uniforms will be monitored at the start of term 4 and letters will be sent home with the children if they are not in correct uniform.

Swimming

The children in rooms 10, 11, 12 and year 4 children are having their last 2 swims on the first Wednesday and Friday of next term.

The year 0 - 3 children start their 10 swims on Wednesday 24th October. They then have Thursday 25th, Friday 26th with dates during the next 2 weeks and finishing on Wednesday 7th November.

As always children are sent to and from swimming at WaiSplash by bus.

Instructors are employed and teachers help supervise.

Caretaker

It is with regret that we have accepted our caretaker's resignation, due to health reasons.

We have enjoyed the time that Brent has worked with us and wish him all the best.

The caretaker's position will be advertised in the Bush Telegraph over the next 3 weeks and applications will close on Thursday 18th October at 3.30pm.
