

Term 4 No 1 17<sup>th</sup> October 2018

Ngā mihi o koanga – Greetings for spring.

Welcome to the last term of the year. School will be finishing for the year at the Break Up on Monday 17<sup>th</sup> December. We have started the term with a number of new faces enrolled. Welcome to our new students who have started or will be starting over the next few weeks.

We are looking forward to Pet Day on Friday. The weather should improve tomorrow and by Friday we should be seeing a bit more sunshine and reaching 17 degrees. The grounds are very wet so please only drive in vehicles that really need to be on the grounds and keep to the outside of the fields. I expect this will be the horses and the odd trailer. The rest will need to drop pets and gear off and then park down the hill.

Our hockey coach was down from Dunedin on Tuesday to work with the children again. It was a bit wet first thing and cold but we are making up for sessions missed last term. We still have a couple more to go.

The Life Education Truck will be here in week three and I hope to run a parent session as part of this so that you have the opportunity to come in and see what the truck is all about and you can meet Theresa, the educator. The truck has awesome technology to bring the lessons to life and of course Harold the Giraffe will be there to support the children's learning. The Lions are wonderful sponsors of this programme and Sue Poole is on the committee for our area.

The children will be learning about:

How to be a good friend - Juniors,  
Making the right choice – Miss McKenzie's children,  
Body care – Team Whero,  
Peer pressure – Team Karaka  
How the brain works – Team Papura.

Ka pai to wiki and I will see many of you at Pet Day.

Regards  
Kate Stevenson  
Principal

**Hot Lunches**

Please only send heat-ups that can go in the pie warmer. No microwave heat ups or noodles. It has become very time consuming for support staff to make these non-nutritional lunches that come with various instructions. Sorry for any inconvenience.

**Class Reports:**

**Team Kikorangi/Kowhai:** We welcome Zekaia and Shaynae Hansen to our room this week and we farewell Jack, James and Harry who are moving up to Team Whero on Thursday. We are busy making our clay art for Pet Day. Please remember to bring your pet diaries to school by Thursday.

**Team Whero:** We started off the term experimenting with Roald Dahl's Foaming Fizzy Potion, it fizzed, frothed and swizzled with a swirl of a teaspoon. We mixed baking soda, dishwashing liquid, food colouring, and lemon juice; plain old pantry items lead to instructional writing. As a follow up we are writing instructions about caring for our pets for Pet Day.

**Team Karaka:** We would like to welcome Mackenzy Hansen to Team Karaka. Lots of exciting things are happening this term. We are currently working on clay animals for pet day.

**Team Papura:** have been working on their clay art for Pet Day. We are looking forward to Pet Day on Friday. We are doing Food Technology at Menzies College this term. We are looking forward to eating our creations. Good luck to Ruby, Kaelan, Quinn and Hazel at the Eastern Southland Golf Tournament on Thursday.

**Odd Spot:** The average human body contains enough phosphorous to make 2,200 match heads

**Goldilocks and the Three Bears**

Once upon a time there was a little girl called Goldilocks and she saw a house. She knocked on the door, but nobody was there, so she opened the door and there were three bowls on the table. After that she sat on baby bears chair and she broke the chair. She got tired and she walked up the stairs. She lay down on baby bears bed and she said, "This is just right!"
