Celebrating Success at Sunnybrae

Well done to Belin Zhang who participated in the NZ Robot Olympiad 2018 and received a bronze medal. He completed and programmed his robot within 3 hours without any help which is a great achievement. He was selected for the New Zealand team to attend the International Robot Olympiad 2018 being held in the Philippines in December.

Chinese Language Week

At the end of Term 3, we celebrated Chinese Language week. We had a wonderful display of Chinese items in our library. Thank you to the families who supplied these beautiful pieces. We enjoyed seeing these valued items on display and it was great to see the lovely Chinese costumes that many of our students wore to school.
