## Jump Jam

Well done to the 23 girls who held their dress rehearsal last night for parents and family members.

These girls have practiced long and hard over the last few months and are performing their dance/aerobics routines to a very high standard.

Thank you to Michelle Mitchell and her daughter, Tayla, for the time and effort they have both put into getting these 2 teams to the standard they are.

The bus leaves at 8.30am tomorrow morning as the teams begin their travel to Tauranga to compete on Saturday.

We wish the teams well and know that they will perform well and represent our school to a very high standard.

Thank you also to Dannevirke South School for allowing the teams to use their school hall for the dress rehearsal. - see photos attached.

## Fund Raising

This year Benji and Andreas are organising a student showcase of the arts. If you receive coaching or instruction in singing, dancing or play a musical instrument then you might be interested in applying to take part in the showcase, which is to be held Tuesday 20th November 2018. Please collect an application form from the office.

## Swimming

Lessons have started well for our young children.

Please remember swimming gear every day next week except Monday and a plastic bag to put clothes in.

Named clothes definitely helps.

## Sun Hats

All the students of room 5 appeared outside my office yesterday to show me that they all had a sun hat and that all of them are plain black or burgundy.

These children will all receive an ice block for being the first class to achieve 100% wearing of correct sun hats.

I am currently waiting to find out which other classes will achieve this level so they can also have an ice block.

## Kapa Haka

The dress rehearsal for the regional competition is being held on Saturday 3rd November at the Dannevirke Town Hall starting at 5.00pm.

Whanau and friends are more than welcome. Entry is a gold coin donation.

There will be a sausage sizzle and raffles on sale.

This event will give our tutors and children the opportunity to time make up and dressing so that they know exactly how long it will take at the regionals.

Our junior group are performing first at 5.30pm, our seniors at 6.00pm and the Te Kura Kaupapa o Tamaki Nui a Rua group at 6.30pm.

Any costs are being shared equally by our 2 schools and all profits from the sausage sizzle and the door entry are being split between our schools.

All profits from the raffles go to the school that organised each raffle.

We are very appreciative of the Kura inviting us to join them on this venture and look forward to an evening of superb kapa haka.
