Congratulations!

Huge congratulations to Room 15 for entering a competition last term where they were selected from 60 entries across Australia and NZ to win an ActivPanel (a fancy new

interactive device). They will be showing the winning entry video they created at this week's assembly

Niuean Language Competition

We are proud to share this photo of our Leia, Litrunette and Leighton who participated in the Niuean Language Competition. They did an outstanding job representing our school, their families and their culture. A special mention to Leighton who won the 2nd place in her division. Fakaauae Lahi to Whaea Maxx, Whaea Hala and their families for supporting them in this awesome experience.

Making a Difference

Rayyan Nordien from Room 5 – Age 6

I wonder in 2050 will there be any fish left. When I was with Ms Bills, she showed Room 5 a really big turtle stuck in a really small net. If it was growing more the net will make the turtle tighter and tighter. It will make the turtle hurt if people put rubbish in the ocean, fish can die. If there is plastic rubbish in the ocean turtles think it's a jellyfish but it's not a jellyfish, it is plastic rubbish. The reason why they think it is a jellyfish because the plastic floats in the sea. I will stop using plastic. I am going to tell my parents to stop using plastic. I can change the world.

Health Notice

This notice is to inform you that we have a student that has contracted chicken pox. Chicken pox is a very contagious virus. It is spread through the air by infected people when they sneeze or cough, and by touching the chickenpox blisters and then touching objects or other people.

Chickenpox is contagious from five days before the blisters appear. It stays contagious until all the blisters have crusted over and no new ones are appearing. During this time, we ask you to keep your child home from school.

BREAKING NEWS...

Summer is coming and we are in the process of organising a walking school bus around the McIntyre/Taylor Road area!!! The route is just being finalised and we will get that out to you as soon as possible.

Currently we have a walking school bus coming from Crawford Ave, if you would like your children to join this bus please contact Viceroy...

Using the walking school bus reduces traffic around the school and keeps our children fit - together let's build our bus route!!!!
