Thanks to all of those who joined us for our annual Pet Day last Friday. I hope you all enjoyed your day.

I was very proud to see all of the exhibits being created and set up around the school by our students and teachers, marked by our judges, and viewed by the community throughout the week. Our students are very lucky to have such supportive parents and caregivers, and I thank you all for this. Most of our staff were present on the day also, which was another success as we have such a supportive and hardworking group who are very proud to be working at Pirinoa School.

Jess Donges, our new office administrator who is working alongside Jane Gibbens took on the challenge of organising Pet Day at the beginning of Term 3. She did a fantastic job with this and strengthened connections between our school and the community. Speaking with Jess after the event reinforced lots of positives about our school and community. She was amazed with the amount of support she received from other staff members and our students. We will still aim to improve Pet Day for 2019, so please join us to review this year's event on the 5th November at 5:30pm at Pirinoa School.

Maintaining High Standards. I have been pleased to enter classrooms and see all students wearing the correct uniform. This gives our students a sense of pride and connection to each other and the school. Please ensure that your child arrives at school every day in full uniform that is named. We all want teachers spending time talking to students about their learning and interests as opposed to wearing the correct uniform.

With lots of events coming up it is important that we stay organised so we can achieve the best outcomes possible.

Thanks for supporting your child to make a positive start to the term.

ROOM 2 NEWS

When we came inside we saw new things in our classroom.

There is a Gruffalo's Cave. Inside the cave there is a big, black spider. He looks like he is real. There is a fire so we can play a camping game. You can sleep on the pillows and cushions. There is a disco ball. There is also a Pizzeria. There is lots of yummy food inside it like tomatoes, ham, cheese, mushrooms and pineapple. We have to cook pizzas on the stove in the pizza oven. Everyone kept ordering pizzas. It is a busy shop.

We have a dinosaur land and a lego place. We have new bears that we can take home on Fridays. We will go on an adventure with them.

We love our new classroom. It is better than last term.

ROOM 1 NEWS

In Room 1 we have been learning how to write instructions for conducting an experiment.

Put vinegar in a bottle.

Put baking soda in a funnel with a spoon.

Quickly put a balloon on top.
