Jump Jam

Congratulations to our 2 Jump Jam teams that participated in the North Island finals last Saturday in Tauranga.

Both teams were placed 6th in their respective groups.

The senior group were the only team to be awarded a distinction in costume. They also received excellence in sportsmanship, merit in technical execution and presentation.

The junior group also gained merit in presentation and merit in presentation.

Thank you to the parents who supported this group and a special thank you to Anna for the huge stint bus driving and to Michelle and Tayla for the time and effort taken to coach these teams.

Fire Drill

We are due to have a full school fire drill practice, but today had a real practice thanks to the boys who were baking biscuits.

The alarm unexpectedly went off and the full school evacuated and staff checked all students and adults off to ensure everyone was safe.

The Dannevirke Volunteer fire brigade turned up and checked out the area where the alarms were activated and again checked everyone was safe.

We appreciate the response from the local fire brigade and know that if we ever had a 'real' fire at school they would respond rapidly.

Thank you to the adults in the school for your effective and efficient response and again we know our children would be safe in the event of a fire.

Swimming

The juniors last 3 swimming sessions are on Monday, Tuesday and Wednesday of next week.

Please ensure the children have their swimming gear - with everything named - for their last 3 swims.

Lost property

There are a huge number of unnamed polar fleeces and shoes in the school office and on the deck outside the office.

Gates

We have a number of gates around the school that are 'pool' locked during the school day. These are a safety measure.

If you pass through a gate that is open please feel free to leave the gate open.

If the gate is closed please ensure you close it behind you, so all of our children are safe.

Strike Day

The Board will be making a decision over the weekend as to whether the school is open or closed on Tuesday 13th November.

This is a planned strike day, but the Board need to consider if there are enough teachers on site for the school to remain open, or whether the aren't enough teachers so the school will be made.
