

First of all, congratulations to all the Sports Awards recipients from the Hurunui College Sports Prize-giving last Friday. Sadly I was not able to be in attendance due to a family bereavement, but by all accounts it was a fantastic event. It was also fantastic to have Grace Brooker, a current member of National Provincial Championship winning Canterbury Women's Rugby team, NZRU contracted player and ex Hurunui College student in attendance. Grace (*pictured below handing out the Excellence Awards*) was able to share her journey in sport and the dedication she has had to show to get to where she is now. The Hurunui College Sportsman, Sportswoman and Blackwells Cup for overall achievement in sport will be presented as part of the End of Year prize-giving.

On Monday afternoon, at our annual Leavers' Assembly, we farewelled our Year 11-13 students as they head off on study leave in preparation for their end of year exams. For a number of our students, this marked their last formal day at school, a milestone for any person. Our leavers created a very positive day and focused their energy on giving back to the school. The organisation of a sausage sizzle, water slide and the handing out of ice blocks at lunchtime was a fantastic gesture and reflective of our school value of service. This was followed up in the evening by a potluck dinner for staff, parents and students. It was a fantastic and positive way to finish their time at Hurunui College.

With NCEA external exams starting this week I wish all the students the best in their exams and with good preparation, all should be able to feel confident about achieving positive results. The exams are hosted in the Rugby Clubrooms over the next three weeks. Please be considerate if you are over in the domain over the next few weeks.

As the end of year approaches, we are busy making appointments and arranging classes to prepare for the 2019 school year. 2019 will see the departure of some staff, the return of some familiar faces and the arrival of a few new. We have confirmed two appointments in the past week. First of all congratulations to Lauren Brinsford for being appointed to the permanent primary classroom teaching position. As most will know, Lauren has filled the fixed term maternity leave position of Jasmin Findlay for more than the past year. Lauren provides stability for our teaching staff and her enthusiasm is invaluable to the school. We are also pleased to confirm

the appointment of William Harnett to the Year 8 classroom next year. This will be William's first teaching position, as he comes to teaching with a variety of work and life experiences before heading into the teaching profession. William has a strong passion for the outdoors, hunting and fishing and is excited about the opportunities available at Hurunui College. Next year we will also welcome Tim Kelly back to the Science department after his year on study leave. Lastly, we are yet to confirm the appointment of our Hard Materials Technology teacher but are hopeful to confirm an appointment next week.

A reminder to families that this Sunday 11<sup>th</sup> November a district-wide Armistice Day commemoration will be held by the Hurunui District Council at the Amberley Domain to commemorate 100 years since the signing of the treaty that ended WW1. The event will begin at 9.45am with an ANZAC Day style parade through the domain to the northern side of the pavilion where the event will take place. This will be followed by a commemoration service and as a mark of respect, two minutes silence will be observed at 11 am. We know a number of Hurunui College students are involved in the event and I encourage families to get along and take part.

**HURUNUI COLLEGE ATHLETICS** We would like to thank everyone involved in Athletics Day on Friday 26<sup>th</sup> October. A special mention to Brendon Ferguson for all his work preparing the grounds and holding events during school time to allow us to fit in everyone on the day. Please note this year all the Year 1-8 levels were Year Group events, not age based events due to Sport Canterbury changing the regulations. Therefore new times and distances have been recorded for all year levels, which means no new records were broken but just set from 2018 onwards. Congratulations to all the students who competed and achieved your personal best. Well done.

There are 2 ways to use our pool.

- Households can purchase a pool key for \$60. This gives access to the pool throughout the season for anyone living in the household. Keys can be purchased from Hawarden Library or Bronwyn Gunn.

- Locals and visitors can pay \$2 per swimmer (for the whole day) into the honesty box at the pool. There must be a keyholder at the pool to let you in. Keyholders DO NOT lend keys. If you have a pool key from last season you can Internet bank your \$60 into 03-1582-0012259-00 including your surname and key number as references. Continued community use of the pool relies on everyone respecting the rules and the facilities. The Club has amended the pool rules, a copy will be made available to all keyholders. Three concerns from last season that users need to be aware of are: the use of sound systems at the pool, the use of the jump seat and nappies being dumped in the rubbish bins. If you have any questions about the pool contact Paul Munnerley, Bronwyn Gunn or Melissa Brown.
