Dear Bayview Families,

There are only 27 school days left of 2018! In these 27 days we need to fit Year 6 graduation dance practices, road patrol training, intermediate school testing for Y6's, report writing, open day, senior school athletics day, bronze I CARE assemblies, 2019 enrolment days, singing/prizegiving practices, Onepoto cultural festival, Kindy visits, celebration assembly, Junior school athletics day, Library stocktake, interschool athletics day, sports/volunteers prizegiving, Parent thank you morning tea, Year 6 graduation, Big Day In, End of year prizegiving, furniture move ready for 2019, Farewell assembly, Reports come home, Christmas Carol evening, and an end of year tidy up! We will try to keep you updated on events so please keep checking our Facebook page and do check your child's bag for any special notices.

### SCHOOL HATS

We are still noticing many children that do not have the school regulation sun hat. We have three duty teachers out in the playground at each break time and they are spending a lot of time reminding children to wear their hat. We wear a bucket hat so that the children's ears and necks are protected (caps do not provide this protection). It always helps when hats are named so they can be returned to the rightful owner when mislaid.

### STUDENTS LEAVING

If you are not returning to Bayview School next year can you please let us know? This will help us with your school organisation for 2019.

In the past many of our Year 6 students have donated a fruit tree for our orchard when they left. If you are considering this you could consult with Mr Corbett over potential trees to buy. Your child will then get to plant the tree with Mr Corbett before they leave.

### BRONZE I CARE AWARDS

We have three special assemblies coming up where deserving students will be awarded their Bronze I CARE awards.

Assembly schedule:

Pikorua – 23<sup>rd</sup> November 9.10am

Kauauanu – 30<sup>th</sup> November 9.10am

Harakeke – 7<sup>th</sup> December 9.10am

If you are unsure which learning group your child is in please ask them as they should know, if they don't it is on the next page of the newsletter.

Please note that if your child is receiving an award a staff member from the school will contact you so you can try to be present.

### STRIKE ACTION

Please remember that our teachers will be on strike this coming Monday 12<sup>th</sup> November. The Bayview School Board of Trustees have decided that due to health and safety concerns they will not be able to open the school. Please make alternative arrangements on this day for your children.

We apologise for the disruption this will cause but we really need to take a stand for our children.

### KIDS 4 KIDS CONCERT

Last night our fabulous childrens choir performed at the annual Kids 4 Kids concert at the Bruce Mason centre. This choir has been practicing since term one with Mrs Pauline Pricor. This is a big undertaking for our children as they must stay committed for an entire year!

Thank you to all the parents and caregivers who attended the performance to support our choir and to those who missed out on tickets but who still got their child to the performance on time.

### ONEPOTO CULTURAL FESTIVAL

On Friday 23<sup>rd</sup> November around 60 of our senior kapa haka group will be performing at the Onepoto Cultural Festival which is held at Onepoto Primary School, 31 Fraser Ave, Northcote. Bayview are performing at 1.15pm on the outdoor stage. Parents and caregivers are very welcome to show their support and attend this awesome event.

### BEING AN UPSTANDER

This fortnight's upstander is Anne-Maree Heckler who has organised and trained a Bayview School gymnastics team who have competed in a North Shore schools competition. Thank you for allowing our children the opportunity to compete in something different. Thank you also to the Stott whanau and the Todd whanau who ran the Spooky golf and market day at Bayview School around Halloween. Thank you for giving our kids lots of activities and events to participate in. It takes a village to raise a child and Bayview is an awesome village!

### OPEN DAY

On Wednesday 21<sup>st</sup> November all parents and caregivers are welcome to visit their child's habitat to see their child in action as a learner. During your visit you will have the opportunity to talk with your child about what they are learning and they may give you some ideas as to how you can support them with their learning. Many parents in the past have come around break times so they can share a picnic with their child. Please note the teachers will not be able to meet with you during this time as they will be teaching their class. If you would like to speak specifically with your child's class teacher please contact them and arrange a time.

We hope you take advantage of this opportunity to show your child that you value their learning. Please note that we will be sending the end of year report home on Friday 14<sup>th</sup> December.
