

Johnsonville Christmas Parade

Rewa Rewa School is entering a float in the Johnsonville Christmas Parade on Saturday 1 December and we would love all of our families to be involved. Our theme is "Celebrating Our Diversity & Our Wonderful School" - either come dressed in your national costume or in our school colours of white, light blue and royal blue.

All students participating must have an accompanying adult and will remain the responsibility of their parents/caregivers. A notice will be sent closer to the time advising where and when to meet.

Please complete and return to the School Office by Friday 16 November:
