

ROC Day 2018

Friday 30th November

Parent Helpers Needed

ROC day stands for **Respect Our Community** day. It is a day when we get out into the community to:

- learn how to protect our environment
- discover the walkways to local parks
- learn about road and personal safety

It is also a time for having fun, but we need you!

We would appreciate parent help throughout the day on Friday 30th November.

We especially need parent help for the walks around our community with Year 3-6 student groups between 11.00 am and 12.30 pm.

If you can help please email:

Melanie Hanson - mhanson@sunnybrae.school.nz

with the time, the activity you are able to help with and your child/children's names. If you are able to help all day then please let Melanie know.

9.10-10.40am	Helping student groups with questions, challenges, and sporting activities as they move through a rotation of activities.
11.00-12.30pm	Provide parent help on our walks around the community with teachers and students.
1.30-3.00pm	Helping student groups with questions, challenges, and sporting activities as they move through a rotation of activities.
