ONEPOTO CULTURAL FESTIVAL

Tomorrow our school kapa haka group will be performing at the annual Onepoto cultural festival. This is held at Onepoto School, 17 Fraser Ave Northcote. Our school is performing at 1.15pm on the outside stage. We hope some of you may have the opportunity to go and support our children. There will be food stalls so you can purchase some lunch if you would like and sit and watch Bayview and the others schools performing.

A huge thank you to Whaea Carol and Whaea Aarani for tutoring this group and giving them the confidence to shine.

I just want to say a huge **thank you** to all of our parents and caregivers for standing by us during this year's industrial action (strike days). At this stage we don't know what is going to happen moving forward, but please know we don't like striking and causing you such inconvenience, but we are so incredibly grateful for your support!

STAFFING

Change is synonymous with education. As teachers we know that school is an ever-changing place. This year we are very sad to farewell our fabulous Emma Harper who, as we have mentioned earlier, is going to work at Wairau Valley Special School.

We will also be farewelling our lovely Rebekah Webb from Habitat 1. Rebekah has won a position at Long Bay Primary where she can walk to work each day (I blame petrol prices and Auckland traffic!). We will be farewelling these staff members on Friday 14th December at our farewell assembly.

Next year we have the rest of our staff re-joining us with the addition of Ms Kirsten Stuckey who will be our classroom release teacher and our wonderful Mrs Amy Nicholas will be re-joining us after her travels in the UK and Europe!

I feel very lucky to be fully staffed for the 2019 school year as I know there are schools in our area still trying to fill vacancies!

Team Bayview are so lucky to have such a positive and innovative group of teachers and support staff who go all out for Bayview kids. I know I feel very lucky to work alongside such a dedicated group of professionals.

On 11th November Matthew and Danielle Willcocks welcomed a beautiful baby girl, Hazel Erin Willcocks. Both mum and baby are doing well and Danielle is a natural mum! Hazel is the third baby addition to our whanau this year and we are absolutely thrilled for Dani and Matt.

Our congratulations also go to Sarah Berquist as she has got engaged to Scott Baker, the man she left Bayview to be with. We wish Sarah and Scott a lifetime of happiness together!

Amy Craddock paid us a surprise visit at assembly on the 16th Nov. It was lovely to see Amy and to hear how happy and settled she is in Christchurch.

START DATES FOR 2019

21 January – office open for stationery sales (but you can also do this on ezlunch)

29/30 January – teacher only days for staff

31 January – School starts for children

6 February – Waitangi Day

12 April – last day of term one

I CARE AWARDS

I thought it would be a good idea to explain a bit about our I C.A.R.E. awards. Hopefully you already know that I C.A.R.E. stands for Citizenship, Attitude, Responsibility and Empathy. These are our core school values and these are what we look for and celebrate throughout the year with our token reward system. Every child has the ability to achieve an award. There are three levels to our I C.A.R.E., bronze, silver and gold.

Bronze awards are given to students who consistently display the following values and dispositions:

CITIZENSHIP

I show respect; I encourage others; I am a role model; I use manners; I show kindness.

ATTITUDE

I am honest; I participate; I use positive body language; I demonstrate patience; I strive to do my best; I respect myself; I respect other people.

RESPONSIBILITY

I take responsibility for my own actions; I take responsibility for my learning; I am an active listener; I demonstrate initiative; I am responsible for my belongings.

EMPATHY

I understand that others may have different ideas or opinions; I listen to others; I think about feelings before I speak or act; I value differences; I am supportive towards others.

Silver awards are given to students who consistently display all the bronze criteria and also give up their time regularly and consistently to volunteer for a range of tasks or teams. These could include crossing patrol, being a librarian, being in the envirogroup, being a member of the choir, and joining sports teams.

GOLD awards are quite difficult to get as these awards are given to students who consistently display all bronze and silver criteria as well as actively trying to make our community a better place. Gold award winners are the children who use their own initiative to make a difference.

We know we have fabulous children at Bayview School who show these criteria. Congratulations to all the students who are about to receive some of these awards.

Please note if your child is receiving an award the school will make contact with you so you can be present at the appropriate ceremony.
