

It is hard to believe that there is now under three weeks remaining until the end of the school year. Term Four is certainly racing past and by the tired looks on some of the teachers' and students' faces the end can't come fast enough for some. In the short time we still have remaining there is still plenty going on in the school with the most significant being the Investigating (Year 8-10) trip to Wellington next week. The Wellington trip has truly been a full years effort for the staff and students in the Investigating Community and it will be great to see them depart on Sunday for their North Island adventure. The Wellington trip has been a long-held Hurunui College tradition and it is great to see it emerge again after the formation of our Learning Communities. Sonia Talivai has been the driving force behind the Wellington Trip and if it was not for her drive and enthusiasm I would doubt if the planning would have got off the ground. The trip is a massive undertaking and with the ever-increasing health and safety and compliance requirements, it is not easy to put together. We all know the stress involved in taking our own families away on holiday and I'm sure you can only imagine what is involved in taking 80 plus people away for a week. She has been well supported by the Year 9 and 10 homeroom teachers, Brendon Ferguson and Haley Ross and has a very capable group of parents who have volunteered their time to also come along and support the trip. They truly have an action-packed week ahead that includes visiting the NZ Police College, Te Papa, Weta Workshop, The Reserve Bank, Parliament and Westpac Stadium (the Cake Tin). I'm sure there will also be some time for shopping and enjoying the little things that Wellington has to offer, and I know the students will be looking forward to the meal out at a local restaurant. A big thank you to all who have supported the variety of fundraising activities over the year, and to the organisations who have donated towards keeping the cost down. Especially the NZ Red Cross, The Rural Trust Fund and of course our local PTA contribution. Every little bit has gone into making the trip a reality. We trust that they will have an amazing week away, no matter what the weather throws at them.

In recent weeks, it is fantastic to see that the school pool has opened. The pool committee has again done a fantastic job getting the pool ready this year. The pool is a fantastic resource for the school and community and it is essential that everybody respects the rules around the use of the pool. It is a useful time to remind all who have

access to the pool is via a purchased key or by gold coin entry. If you do not have a key and the pool is empty, you are unable to gain access. If you want easy access, the only way is to purchase a key. It is also important to remember that any students under 16 years of age must be supervised at the pool. This means that there must be somebody there designated to supervise the swimmer, not just somebody else at the pool. Please do not drop children under 16 off at the pool thinking that somebody might be there. Lastly, no swimming alone and please refrain from throwing stones or other items into the pool that might damage the paintwork.

Our final day for students and our full school prizegiving is Thursday 13th December. We ask that all parents, caregivers and community who wish to attend, please aim to be seated by 9.50am, with a start time for the Prizegiving being 10 am. We will be aiming to finish between 11.30 am and 12 pm. The buses will run at 12.30pm on this day.

Parents and caregivers, please be aware that students will also be home approximately two and a half hours earlier on prizegiving day. It will be important that parents also ensure ALL students are in correct uniform as this will be checked prior to the start of the prizegiving. We ask that all students present themselves respectfully and portray the positive image of the school.

Nāku noa, nā
