## Weekly Panui - Monday 4th February, 2019

### Kia ora whanau

Late last year our amazing mural that the students completed with the help of Marc Spijkerbosch (Lakes Council Community Arts Advisor) was returned to us after being on display at the Rotorua Airport for 3 years.

The mural is of huge significance to the school with the students having brainstormed all the images that you see represented in the art, that are of importance to us as a school community. Therefore, we have taken the time to place it at the forefront of the school, where it is the first image you see when you arrive. We will be making several other improvements to our school over the year, which will include the upgrade of our two senior classrooms (our two junior classrooms were completed in 2017). This will ensure our school is a modern, vibrant and inviting learning environment for our children, teachers, parents and wider community.

Thank you to FarmSource for providing the school with Chicken Food. Happy chickens!

### School Hats

Please remember you need a hat at school to wear at Morning Tea and Lunch. If you need a school hat, please order at the office. Hats are available in the office NOW.

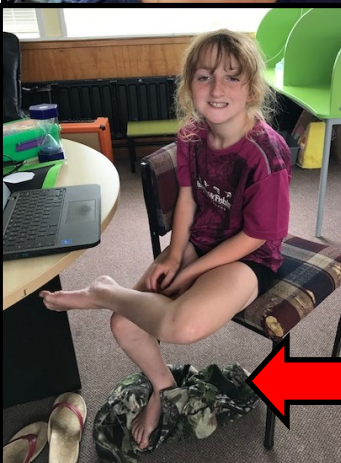

All sizes \$15.

# CAN YOU HELP?

This term GPA are doing their food technology studies using the community hall kitchen - being taught by Mr Topp, Mrs Hossack and other enthusiastic individuals. We are very lucky to have the kitchen to work in, but we are lacking some of the equipment to really get the kids into their cooking skills. If you have any items at home that you no longer need, please drop them into the school office or send in with your child/ren to donate to the class. We will put together a kit that can be used for classes doing food technology.

Examples of what we need are:

measuring cups,  
measuring spoons,  
whisks, graters, wooden  
spoons, plastic bowls,  
etc.

THANK YOU :)

If you have a pool key but have not paid this years fee, please deposit into our school account asap :) Our pool is great, but does cost \$\$\$ to keep it running.
