Whanau BBQ

Next Thursday afternoon, 21st February, is the planned school and whanau sausage sizzle.

Starting time is 5.00pm, with a free sausage for all tamariki and whanau of members of our school.

There will be some sport gear out for you to have some fun with staff and families.

This evening will be a good opportunity for you to informally meet your child's class teacher before parent interviews in early March.

It is also an opportunity to have a look at the new BBQ trailer the Board have purchased for the school.

The trailer had its first cooking experience last night at the year 8 camp and the cooks were really impressed with its set up.

The Board of Trustees would also like some feedback about the school and there will be a few very easy questions to answer to ensure the school is going in the right direction (and if it isn't we will be looking at making some changes).

Looking forward to seeing you and your whanau next Thursday at 5.00pm.

Parent/Teacher

Parent/Teacher interviews are planned for Monday and Tuesday, the 11th and 12th of March.

The purpose of these interviews is for you to inform the teacher of any information you think the teacher should know and for the teacher to give you feedback on how the year has started for your child.

Interview information will be sent home in the next 2 weeks.

Swimming

Our year 4 - 8 students are undertaking 5 swimming lessons every Thursday as shown on the upcoming events list.

These lessons and the buses transporting the children are paid for by the school and are no expense to our families.

We expect all of our children to bring the togs and towel and participate in the lessons.

Being able to swim is a vital skill in New Zealand as we have one of the highest drowning rates in the world.

These sessions are to help our children prepare for the school and interschool swimming sports that are planned for this term. Further information on these events will be available closer to the events.

Year 8 Camp

Our year 8 students are at Back Paddocks Lake for their leadership Camp.

I visited them last night and will again tonight. They had a great day yesterday and were really looking forward to wake boarding, kayaking and yachting today.
