New Zealand Principal's Federation -

National forum on the Tomorrow's Schools review

I was extremely fortunate to be invited to represent the Rotorua Principals at the National Meeting for NZ Principals last Friday in Wellington. The Minister of Education (Chris Hipkins), President of NZPF (Whetu Cormack), President of Te Akatea (Myles Ferris) and Chair of the independent taskforce reviewing the Tomorrow's Schools policy (Bali Haque) all spoke regarding their projection of what changes need to be made to the NZ school system.

There is definitely change in the wind for **all** schools in NZ. What these changes will look like are presently open to consultation. If you would like to be a part of this conversation, there is a consultation in Rotorua, run by the Independent Taskforce. It is on **Monday 18th March, 7-9pm at Rotorua Boys' High.**

JOB VACANCY: AFTER SCHOOL CARE SUPERVISOR

We are looking for an enthusiastic, motivated person to take on the role of After School Club coordinator. The ASC role is from 3-5pm Mon-Fri. There is also always one of the teachers on site to assist if & when needed.

We need someone who has initiative, enjoys working with children and will take part in fun, relaxing afternoon activities. It is a requirement of this position that we carry out a full police vet. The pay-rate is approx. \$18 p/hour.

After School Care @ Waikite Valley School.

Please let us know if your child/ren are needing to stay at After School Care - we have had a few days recently where we had no idea who was supposed to be here. A PM to the school facebook page, or voice message on the phone is fine. If we can know by 2pm on the day at the latest it really helps!
