## Principal's Comments:

Dear Families and Friends,

Thank you very much for your support for our annual School Fair. It was a huge success thanks to your kind donations, working at stalls and running activities. The money raised will support our Teacher Aide programme in supporting students who need a boost. The Battle of the Schools was also a huge success with all the competitors enjoying the activities. I would like to once again acknowledge the work of Nissa and her PTA team and Matt and his Battle dads.

I would also like to thank the families that have paid their donation. This donation of \$325 per child is essential to our school to ensure we can provide quality curriculum resources, employ Teacher Aides and provide sporting, cultural or performing arts resources. If you pay prior to March 31 you will be entitled to a 33% tax rebate for this financial year.

We also require every family to pay their annual activity fees per child as this makes it easier in the office in regards to money coming into the school. We have just had a performance on Tuesday which was fun and was included in the activity fees which you are required to pay. If you have not yet paid this fee, can you please do so asap. If you have misplaced your invoice please contact the office.

I would like to acknowledge the Year 6 students who

had a wonderful week at their annual camp. It was the Best Ever. The 82 students were fantastic in their "can do" attitude, their behaviours and their social interactions. Once again, all parents worked extremely hard in the kitchen, in the activities and supporting children who needed encouragement. Thank you for giving up your annual leave to support others.

Finally, thanks to all the students and staff for a tremendous start to the year. It has been full on with assessments, Parent Teacher Interviews, fair, camp, class trips, teaching and learning programmes and assemblies.
