Board of Trustee News

Every 3 years all schools in New Zealand must go through an election process to form a Governing Board. Waikite Valley School Board of Trustees must consist of 5 parent members, 1 staff member and the Principal. At our last election in 2016 we had 8 parents nominated for the board. It is most beneficial for communities to have a selection of representatives to vote on. The Board of Trustees are intended to be an accurate representation of our school community.

Both parents and people from throughout the wider community can be school trustees. It is important that boards represent the diversity of their school communities to ensure a bright future for all our children. The trustee elections give parents the opportunity to vote for candidates who will make a positive difference for all students at their schools. It is an important responsibility, and all eligible parents should use their vote in an informed way.

"Board members are entrusted by the community to ensure the success of our schools and a bright future for our children. We need an education system where all children are expected to succeed and one where we all take shared responsibility in ensuring this happens. As a member of a school board you can make things happen - you can make a difference." - Lorraine Kerr, NZSTA President

Call form nominations will be from 10th May - 24th May, with election day being held on June 7th, 2019.

Please seriously consider whether you would like to be a school trustee nominee, or talk to others who you think would make great Trustees for the school. Shelley Schnuriger (2019 BOT Chairperson), Cam Negus, Henry Worsp, Katie Wheeler, Andrew la Grouw (current BOT members) are happy to answer any questions about what it is like to serve on the BOT.
