Possible After School Programme

We are looking into having an after school programme here in our school hall. First we'd like to find out how many of our whanau would be interested. If you are interested in this, please answer the questions below and send back to school by Friday 15 March.

All YMCA Out of School Care programmes are accredited with Ministry of Social Development which means eligible families are able to access subsidies to use the service. (<https://www.workandincome.govt.nz/products/a-z-benefits/oscar-subsidy.html#null>). The subsidies are available to anyone that meets in the income thresholds. YMCA has a huge number of families who access the subsidy across their programmes and they will assist parents/caregivers with the application process.

If After School Care was provided from 3pm – 6pm what days would you use it each week? (Circle each day that you would use on a regular basis)

Monday Tuesday Wednesday Thursday Friday

How many children would use the service on the days circled? Please state number here:

As pricing may be influenced by the demand for the service, what would you be prepared to pay for the After School Care service, per child? (Note that some families will be eligible for WINZ subsidies up to \$15.39 per day)

\$15 - \$16 per day / \$17 - \$19 per day / \$20 - \$22 per day

Please provide any other feedback:
