

GUMBOOT FRIDAY

A reminder that this Friday, 5 April, is “Gumboot Friday”. Children are asked to wear gumboots to school to show their support for mental health. If you wish to make a donation to Mike King’s foundation which provides free mental health counselling for young people, you are welcome to do so.

In the afternoon we will have a gumboot fashion parade and then a gumboot throwing competition.

House points will be awarded for participation (double points if some or all of your gumboots are your House colour).

Bonus points for most colourful and most decorative gumboots.
