10th April 2019

Welcome to Week Ten.

This is our last week of term as the students will be on holiday for the next two weeks. Term 2 begins on Monday the 29th of April.

Gardening Group

Each Friday Lunchtime Sheree Austin leads our keen gardeners teaching them how to grow and care for plants. This year they have grown - strawberries, cabbages, sunflowers, succulentsThe group also help to make sure our school gardens look great and are cared for. The group sells seedlings and produce on a Friday afternoon and the proceeds are used to buy more seeds, equipment etc.

Gumboot Day

Thank you to those that got behind the Gumboot day at the end of last week. Together we raised over \$120 to go towards raising funds for subsidising mental health services for children. We also had a lot of fun throwing gumboots – Brock I think you could become a professional gumboot thrower in a few years.

End of Term Assembly

Just a reminder that we will be having an end of term Assembly on Friday, 2pm.

Have a great holiday break,
Jeremy and Staff

Triennial BOT elections take place this year in June. This is a great opportunity to be involved in your child's school, have a voice for the future.

Are you interested in a rewarding role making a positive difference to the education of todays children?

Call in to have a chat with Jeremy or come along to a Board meeting and see if this is for you?

Come along to tonight's meeting, Wednesday 10th April 7pm Tahuna School staffroom.

The Developing Brain

Mon 1 Jul 2019, 7:30pm - 9:00pm
Morrinsville College, Alexandra Ave, Morrinsville

Morrinsville Kahui Ako are proud to announce that the host of the documentary "All in the Mind", and co-host of the TV Series "The Secret life of Girls", Nathan Wallis, Aotearoa's renowned neuroscience educator, is coming to our community with his talk - The Developing Brain.

With a profound reputation as a lively and engaging speaker, Nathan uses humour and plain language to make this complex topic burst into life. So, here's your chance to get all the latest research from a valid source, in a way that's made to make sense.

In this presentation, Nathan will guide you through the stages of brain development that happen across childhood, which is a lot longer than you think. Nathan will reveal little tricks to make parenting easier, and help you open up communication with your child in a way that actually gets them to listen, develop & grow, and even like you more!

You will walk away understanding how yours and your child's brain work, so you know that a lot of it is normal development and not in fact your fault - Phew!

This talk is for those parents or caregivers who want a quick snapshot of brain development. His unique "tell you how it is" style will have you captivated, and you will walk away jam-packed with "ah-ha" moments.

Tickets are available at www.eventfinda.co.nz.

Junior Academy 2019

Now on Sundays during terms 2 and 3.

Starting Sunday 12th May from 9am onwards.

Session times to be confirmed once numbers have been confirmed.

There will be four sessions to suit varying skill levels:

- Intro: Suited to years 1-3. Features fun games to get the kids moving and introduce some basic skills such as passing, catching and dribbling.
- Starter: Suited to most new players in years 4-6. Coaching will focus on the core skills of basketball.
- Elite: Suited to players who have developed the basics and have previous academy experience. Coaching will focus on further progression of the core skills and basketball game play.
- College: Giving the opportunity for college aged players to further develop their games.

Note: If college aged players would like to assist in coaching the juniors, it would be much appreciated.

Academy T-shirts will be available to purchase as an extra.

Please register your interest by email:

morrinsvillebasketball@gmail.com

Regards,

Ash
