Dear Parents/Carers/Community members & friends

If you are receiving this letter in your email box, at some stage you have signed up to receive email updates from our school website. Unfortunately there has been glitch in the website and many of our families are now marked as unsubscribed. This means that they are not receiving any updates.

The best option was to re-subscribe everyone that has ever signed up and then you can choose to unsubscribe. We apologies if you have unsubscribed due to leaving our school whanau, town or you have changed your email address.

The problem has been corrected and should not happen again.

This letter it to test that our families can now receive updates.

We will continue to share information on our facebook page as well.

Kind regards

Carol Christensen
